CARPENTRY

Are you ready for a career in the carpentry industry?

The McCann Technical School Adult Education Program, in collaboration with the MassHire Berkshire Career Center and the Commonwealth Corporation, is offering a free 200-hour carpentry training program with credentials and career placement assistance. Our CTI program will provide students with industry training and hands-on experience working with today's machines and tools.

Certifications include:

- OSHA 10 General Industry
- Hotworks

Apply now to chart your path for a career in this exciting, lucrative, high-demand carpentry field!

Training and program costs are free as this program is grant funded for workforce development by the Commonwealth Corporation.

Collaboration with the MassHire Berkshire Career Center is a required part of this program. All of the training, materials, and certifications are free. This class is for serious participants who want a job in the carpentry field. Attendance, employer engagement, job placement and career readiness work is included.

Program dates: **September 21 - December 22, 2026**

Classes will be Monday through Thursday: 3:15-7:15 pm.

All applicants must meet eligibility requirements and apply through the MassHire Berkshire Career Center. For questions, call (413) 499-2220.
