LETTER OF INTRODUCTION

Dear Morris Elementary Families,

It is with great excitement and gratitude that I introduce myself as your Interim Principal of Georgia Floyd Morris Elementary School. I am honored to join the Morris Mt. Lions community and look forward to partnering with our students, families, staff, and community as we begin a successful school year together. I have the privilege of serving as your Interim Principal and I am committed to supporting our students, staff, and families.

I bring 26 years of experience in public education, serving in a variety of instructional and leadership roles. I spent nine years as an elementary classroom teacher, teaching kindergarten, first, third, and fourth grades, and two years as an English Language Arts/English Learner Curriculum Specialist, supporting teachers, parents and staff to improve student achievement. I also served as a district-level categorical program specialist, where I provided support to approximately 34 schools with their budget allocation, professional development for School Site Councils and English Learner Advisory Committees, and the effective implementation of state and federal programs while ensuring compliance with program requirements.

Since joining the Rialto Unified School District, I have served as an elementary school assistant principal for approximately six years and served as a reading specialist for about four years. These experiences have strengthened my commitment to working collaboratively with teachers, staff, parents and members of the school community to ensure every student receives the support, encouragement, and opportunities they need to succeed.

Throughout my career, my focus has always been on helping students reach their full potential while building strong partnerships with families. Every child can learn and succeed when supported by caring educators, engaged families, and a strong school community. Morris Elementary is an outstanding school with a dedicated and exemplary staff. My goal is to work collaboratively with the amazing staff to continue providing a positive, nurturing learning environment where every student feels welcome, safe, valued, challenged, and excited to learn each day.

I believe open communication and strong partnerships with our families are essential to student success. Together, we can ensure that every child thrives academically, socially, and emotionally while making Morris Elementary a place where all students can reach their full potential.

In the coming months, I look forward to getting to know each of you and working together to make this a wonderful year for our students. Please know that my door is always open. I welcome your questions, ideas, and concerns, and I encourage you to reach out whenever I can be of assistance. I look forward to building strong relationships with our students, families, and the Morris community.

Thank you for welcoming me to Morris Elementary. I am excited to be part of this amazing school community and look forward to a fantastic school year. Morris Elementary: Your children belong here!

Respectfully,

Dr. Anabel Baba
Interim Principal, Morris Elementary School
