Dear Parents and Guardians,

Welcome to the 2026-2027 school year! I am incredibly excited to welcome both our returning families and those who are new to our community. Our school is a place where every student is valued, challenged, and supported. As we embark on this academic journey, my focus remains centered on student achievement, nurturing social-emotional skills, and ensuring access to opportunities for all students.

To achieve this, we will continue our commitment to problem-based learning (PBL). This hands-on approach challenges students to think critically, collaborate with others, and solve real-world problems. Alongside their academic growth, we are dedicated to supporting our students' emotional well-being. This year, we will integrate a weekly, twenty-minute Patriot Time dedicated to lessons for social-emotional development, helping students build essential life skills and empathy.

I truly value our partnership and look forward to seeing you at events throughout our community this year. If I can do anything for you, or if you ever have questions, please reach out to me at 702-799-4699 or roperlm@nv.ccsd.net. Thank you for trusting us with your children, and let's make this school year our best one yet!

Sincerely,

Lana Roper
