Our Philosophy We believe...

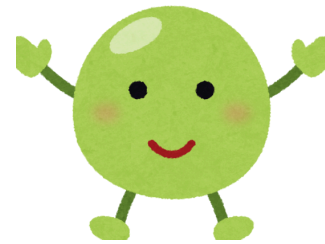

- That children deserve an **engaging** learning environment that provides each child with the **individualized skills** needed to advance their talents
- That children need the **opportunity** to learn from their peers as well as **trained teachers** who have their **best interest** at heart.
- That children should have an environment conducive to learning that helps develop their **individuality** and **independence** while encouraging them to thrive in a **collaborative environment**.
- That children's play is extremely vital to **healthy** physical development, acceptable **social skills**, and **cognitive growth**.
- That **parent interaction** contributes to and enhances the overall **learning experience** for students and staff.
- Sweet Pea **welcomes** those of **diverse** faiths, ethnic origins and race.

Hours of Operation
