Smarte Tips for Warehouse Requisitions

- All Requisitions must have comments regardless of the budget
- Must fill in the "Requested for" box
- Use the percent (%) sign to search for any word in the item description.
Example: (%pencil) (%volley)
- To add more items onto a Requisition save it and reopen the Requisition, this will open up more lines.
- Do not wait until you run out of the item to reorder, plan ahead.
- Must send hard-copy original and return packing slip signed

Discrepancies

Contact 661-631-4728 if you have a discrepancy with your store stock order.

Returns

Please fill out a "Return of Store Stock Items" form prior to shipping any items back to the warehouse. E-mail the completed form to acostab@bcsd.com and garciaer@bcsd.com. We cannot accept returns for a requisition created in the previous school year.

Please contact Bertha Acosta at 661-631-4727 or Ernest Garcia-Diaz at 661-631-4718 if you have any questions.
