Support George School at a Fraction of the Cost

At George School, we are committed to increasing access to a Friends Education for more families. Through the **Educational Improvement Tax Credit (EITC)** and **Opportunity Scholarship Tax Credit (OSTC)** programs, you can make a significant contribution to financial aid at George School at a remarkably low cost to you. These programs allow eligible taxpayers – businesses and individuals – **to support George School student scholarships while receiving a Pennsylvania tax credit up to 90%.**

What are EITC and OSTC Programs

The Educational Improvement Tax Credit (EITC) program allows qualified Pennsylvania taxpayers to support scholarship funds for George School students. The Opportunity Scholarship Tax Credit (OSTC) program offers further scholarship support for students whose neighborhood schools are considered low-achieving schools and who choose to attend George School.

Why Participate?

Multiply Your Impact

A gift that may have a relatively small net cost after tax credits can provide significant support for scholarships and educational access. **It only costs a dime to give a dollar to George School!**

Up to a 90% PA Tax Credit

By participating and making a two-year commitment, eligible donors may receive a tax credit equal to 90% of their contribution.

We believe in a George School education and want to support it. Participating in the program was an obvious choice since 90% of our donation is credited back. Additionally, it was incredibly simple to implement with no time commitment on our part. Anyone who shares the values of George School and has the financial ability to do so would benefit from this opportunity. – Vita, Parent '27
