## GENERAL

### Dropping Off/Picking Up Procedures

Playground supervision will be provided beginning at 7:20 AM daily. Do not drop students off before 7:20 AM because there is no supervision. Students may not bring balls such as footballs from home to play with in the grass area in front of the school. Students must be in their rooms (or with their teacher) when the final bell rings (see Daily Class Schedule listed on page 7). The warning bell rings for 4th/5th/6th grades at 7:38 AM and for kindergarten/1st/2nd/3rd at 7:48 AM, giving the students two minutes to get to class. Otherwise, the student is marked tardy. Breakfast is served from 7:20 AM – 7:38 AM daily in cafeteria.

The lower parking lot is for buses only from 7:30 AM -8:30 AM and 12:30 PM - 2:30 PM. Once buses are in the lower parking lot, no cars may enter or exit the lot.

Drivers should drive very slowly when approaching the school and especially when driving into the parking lot. Cell phone use is prohibited by all drivers during drop off and pick up. Please stress with your children the importance of not dashing between vehicles. We need everyone's cooperation to make our school safe.

In the morning, students must enter through the front gate. There are four dismissal areas for students in grades 1-6.

Front gate (parents must wait in grass area)

E gate (located between Buildings A & E)

Twirl gate—all kindergarten siblings

Cafeteria gate—only for kindergarteners

Innovation to Education and AV Boys and Girls Club pick up students from gazebo/handball court respectively. Individuals not listed on emergency card will not be able to pick up.

### After-School Dismissal Changes

If your child is normally enrolled in the after-school program but will be picked up at regular dismissal instead on a particular day, please notify both the school office and the after-school program in advance whenever possible.

If you arrive for parent pick-up and do not see your child in the dismissal area, please check with the after-school program first before contacting the school office. Students who routinely attend the after-school program may have reported there as part of their normal daily routine.

This simple step helps locate students quickly and prevents unnecessary concern while ensuring a smooth dismissal process for everyone.

### Rules for Using Front Parking Lot to Drop Off and Pick Up

For both drop off and pick up, there are two lanes. Lane #1 is along the curb. Lane #2 is between lane #1 and parking lot.

When using the front parking lot, always follow the directions of school personnel. Do not use front parking lot drop off/pick up if driver plans to get out of the car. In the AM, drop-off is allowed in both Lanes #1 and #2. All ways pull as far forward as possible. Students need to unload quickly to keep the flow moving. There are **NO** parking lot drop offs.

In the afternoon, **loading is only allowed in Lane #1**. There are 7 load spots. Students who ride together need to stand with one another and watch for ride to arrive. Staff will direct students to the correct loading spot. Do not honk your horn at any time. **If you choose to park and use the parking lot crosswalk to meet your student on the grass area, please turn into Lane #2 by making a LEFT TURN only (heading east on Avenue NS).**

There is no drop-off or pick up on N-8 between the community building and front parking lot exit. Do not engage staff in conversation during drop off and pick up.

**BE AWARE** — If making a right turn into the front parking lot you must pull into the right lane (Lane #1). If making a left turn into the front parking lot, you must pull into the left lane (Lane #2). Many times, during the school year we will have support from the Palmdale Sheriff's Department. Tickets will be issued to those who do not correctly turn into the front parking lot. Moderate/Severe students who do NOT ride the bus must be dropped off and picked up in the front of the school near the grass area by the front gate. Moderate/Severe staff will be there for arrival and dismissal.

**The curb painted white in front of the school is our loading only zone. Do not park in the white zone during dismissal. Vehicles stopped or parked illegally on or off campus entry/exit areas, double parked, parked in the cross walks, etc. are also subject to ticketing and towing.**

### Crosswalks

Gregg Anderson currently staffs one crosswalk at Avenue N-8 & Cloudberry. This crosswalk is staffed before and after school. Cars are required to stop at any time staff or students are in the crosswalk. If you pick your child up on the walking ramp, you must use the crosswalk to cross the street. Please do NOT ask your children to cross the street unsupervised. Hefty fines are enforced for anyone violating the stop requirement or endangering the safety of students, parents, community members, or staff in the crossing zones.

### Riding Bicycles

A student must be in the third grade or above to ride a bike to school. He/she must park and lock the bike in the bike racks which are located between the parking lot & Bldg. B. Bicycles must not be ridden on the school grounds, and **HELMETS ARE A MUST!** If students ride their bike to school and fail to bring a helmet, the student **WILL NOT** be allowed to ride the bike home. School officials will confiscate the bike until the student returns with a helmet. Law requires that students wear bike helmets, and we enforce this policy for the safety of all students. **Skateboards, roller blades, "roller shoes", and scooters are not allowed to be ridden to or from school.**

### After School

Gregg Anderson cannot allow parents or non-school personnel to wait in the main office for after school pick-up. Due to the large number of students and confidentiality issues, we must adhere to specific dismissal procedures. Students are not allowed to walk through the office after school. All parents picking up must wait on the grass area by the gate. Parents may not walk through the dismissal process. All students must exit in a supervised line and leave through one of the exit gates. One teacher at each grade level will escort students to each dismissal point. Siblings in grades 1-6 will meet at their dismissal gate (NO EXCEPTIONS). We have staggered dismissal times. Moderate/Severe dismissal is after grades K-6 dismissal. This will allow Moderate/Severe parents to pick up their students with less traffic. The school only provides after school supervision until 2:00 PM. Students who are chronically picked up late will be housed in a classroom and students will lose free dress. See tardy policy on page 24 for late pick up consequences.

### After School Child Care (ELOP)

The Antelope Valley Boys and Girls Club provides after school childcare to students who attend GAA. For more information call 661-390-8486 or register online at [www.avbgc.org](http://www.avbgc.org)  
Innovation to Education offers After-School Homework Help & Enrichment with classes daily at GAA. For information call 661-718-3699 or email [info@myinnovationeducation.com](mailto:info@myinnovationeducation.com)

### Early Release

If parents need to pick up their child early from school, they can report to the front office for early release. Early release is greatly discouraged as it does take away from the child's education and the education of the rest of the class as the teacher prepares that child to leave early. We **DO NOT** allow early release after 1:30 PM. Please bring in a doctor's note after attending an appointment and the reverse tardy will be excused and the child will not lose free dress. Any child leaving early during the school day without a doctor's note will lose free dress that month.

### Classroom Change Request

No classroom changes will occur during the first two weeks of school. Any request must be submitted in writing to the school principal. After two weeks, parent/guardian must make arrangements with the classroom teacher to meet and discuss concerns. Parent/guardian may be required to visit the classroom during an arranged time to observe a lesson. Any students moved will be moved to the grade level class with the lowest enrollment if space is available.

### Classroom Interruptions

We will do our best to get your child a message during the school day if the message is received prior to your child's lunch time. Messages received after lunch will not be guaranteed to be received by your child. Messages to the classroom are very disruptive and due to PE, lunch, computer lab, and library schedules, and other special events classes are not always in their classroom. Please make sure your child knows what he/she is doing for lunch and the after school plan prior to being dropped off at school.

You are always welcome to send a note with your student to their teacher in the morning or email your child's teacher, but most teachers aren't able to check their email throughout the day while they are teaching.

### **Homework Suggestions (excludes reading time)**

Kindergarten: Approximately 15 minutes a night Monday through Thursday.  
Grades 1-3: Approximately 30 minutes a night Monday through Thursday.  
Grades 4-5: Approximately 50 minutes a night Monday through Thursday.  
Grade 6: Approximately 75 minutes a night Monday through Thursday.

### **Lost or Damaged Books**

Textbooks, library books and other school property are for student's use. Online curriculum resources are available at [www.westside.k12.ca.us/resources/parents](http://www.westside.k12.ca.us/resources/parents) on the Resources tab. Check with your child's teacher for their Goggle Suite login information. Students are responsible for doing their part to keep their assigned property, as well as the buildings and grounds, in a manner that will make all of us proud of our school. Library books are checked out, and third through sixth grades may elect to take books home; however, students are responsible for returning books on time. Fines are not assessed for overdue library books, but the privilege of checking out a book will be suspended for students with overdue books and/or outstanding fines. All lost or damaged books must be replaced by the student to whom they are assigned.

It is the students' responsibility to cover all assigned textbooks. It is recommended that library books, if carried to and from school, be transported in a zip-lock plastic bag.

Report cards are not handed out to students who have an outstanding library book, who owe for a damaged book, lunch money or any other financial obligation. Extra-curricular activities such as field trips, assemblies, etc. are also removed for students who owe any school debt.

### **Planners/Folders**

Planners are used in grades 4-6 and some of the Moderate/Severe classrooms. Every student will be provided with a planner at the beginning of the school year or when they start at Gregg Anderson Academy. If the planner is lost or destroyed, the cost of replacement is \$10.00.

Folders are used in grades K-3. Each student will be provided with a folder. If the folder is lost or destroyed, the cost of replacement is \$5.00.

### **Playground Balls**

Playground balls can be donated to the school. Students aren't allowed to bring balls of any type to school.

### **School Supplies**

Students will be provided with one pencil per month and one box of crayons per year, with the exception of K-1, who receive two boxes per year. Paper will be supplied by the teacher as needed. Your child's teacher will let you know what additional supplies your child should bring to school. Teachers quite frequently will request that other items be brought in by the students, if possible. Items could include colored pencils, boxes of Kleenex, paper, crayons, dry erase markers, etc. If you, as a parent, feel you could provide some of these items, check with your child's teacher. December is a good time to consider resupplying your student.

### **Visitors**

We ask that anyone who is on campus for any reason to please check in with the office. If you are on campus to pick up a child or will remain in the office area, you do not need to sign in. If you are going onto campus, you are **REQUIRED** to have permission from staff and run your identification (driver's license) through our Raptor system in the office and wear a visitor's badge. This includes before, during and after school.

Non-Gregg Anderson students/children are not allowed to accompany parents/siblings into classrooms for volunteer or chaperone purposes. This would include classroom parties that are held during the school day.

### **Visitors & Volunteers**

Parent volunteers can volunteer one hour each week in their child's classrooms. Due to liability, younger children are not allowed to accompany volunteers on campus. Contact your child's teacher for more information or if you have any questions.

### **PTA**

Gregg Anderson PTA is an organization dedicated to improving and supporting the quality of education for students in our school. It is made up of parents, teachers, community members and other people interested in helping students have the best opportunities while they are here.

The strength of our PTA is the steadfast commitment to excellence in our school. Many educational opportunities are the direct result of members' efforts in fundraising, volunteerism, and the support of our national and state organizations which sponsor legislation for children.

You are encouraged to get involved in PTA. With everyone's help, our students do reap great benefits from our efforts. Ways you can become an active part of the PTA are:

- > Pay your membership dues
- > Join a committee
- > Assist with a fundraising activity
- > Be a room parent
- > Be a classroom volunteer
- > Correspond with your local legislators
- > Attend general meetings
- > Support your child's educational programs

The success of our PTA depends on each of us participating in support of our children. Remember, "If not you, who? If not now, when?" Your child will appreciate your help. We look forward to your continued cooperation, help, and support with our activities and projects throughout this year.

### **COMMUNICATION**

#### **Sunday Phone Messages/Email**

Weekly phone calls and emails will be made through our Parent Square system to inform parents of current and upcoming events scheduled for Gregg Anderson. (Parent Square allows us to make mass phone calls to all or groups of parents in a very short amount of time. The system can call, text, and/or email.) In order to receive these messages, your contact information must be up to date, and a Parent Square account must be created. These emails communicate upcoming events, and important reminders, so please be sure you are reading through the dialers weekly.

### **Items Brought To School Late**

Please make sure your student has their water bottle, lunches, backpack, band instruments, homework, projects, jackets, and other school supplies when you drop them off in the morning. **We are unable to deliver items to students in their classrooms during instructional time.** Should a student forget their lunch, they will be instructed to receive a lunch from the cafeteria. Thank you for your attention to this matter.

### **PowerSchool**

Parents must update their child's information in PowerSchool every August. They can access student grades and attendance through PowerSchool. Each student will be provided with a log-in information sheet at the beginning of the school year.

## **LUNCH PROGRAM**

### **Play Before Eat Policy**

We are proud to state that Gregg Anderson Academy is a Play Before Eat School. What does this mean? It means students go to recess before eating lunch.

This year all students are eligible to receive a free breakfast and lunch through the cafeteria. You are welcome to have your students bring their lunch as well.

The Child Nutrition Services provides a daily nutritious breakfast and lunch that includes an entree, milk, fruit and/or vegetable and a bread item. The lunch menu is posted on our district website and is also posted in their classrooms. In the state of California, all students are eligible for free breakfast and lunch daily. All families are encouraged to use [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com) to upload money if you would like to have your child purchase just a milk (\$0.50). Applications for free and reduced meals are online, or you are welcome to pick up a paper form in the school office.

On special occasions, parents may want to have lunch with their students. Parents may check their students out during their normal lunch time (see page 7 for lunch schedule) and take them off campus for lunch. Due to the number of students and Secure Campus Policy, outside visitors, volunteers, and parents may not eat in the cafeteria during lunchtime.

**Please Note:** Good nutrition is stressed at our school. Healthy drinks and snacks are encouraged. Candy & soda are not considered good nutrition; soda or energy drinks are not allowed to be brought to school with lunch or for a snack. Do not send red or any colored drinks to school as they stain when spilled.

To safeguard the health and safety of students, please note the following concerning food items brought onto campus.

- > No food prepared or stored in a private home shall be used, stored, served, offered for sale, sold or given away in school to students.
- > Treats or snacks provided by teachers, parents, PTA or other organizations to students must be commercially processed and wrapped to prevent the possible spread of bacteria or germs.

If a student forgets their lunch and a parent chooses to bring it to school, we will not interrupt class to deliver the lunch, they may get a school lunch (free).

### **Birthday Treats**

GAA only allows goodie bags. **FOOD ITEMS ARE NOT PERMITTED.** Goodie bags will be handed out at the end of the school day. Please notify the teacher 48 hours in advance to send goodie bags. **Birthday treats are NOT to be dropped off in the office. Students must bring goodie bags in the morning at drop off.**

At each school, students have the right to learn, and teachers have the right to teach. #### **Semester Awards**

At the end of each semester, students who have done outstanding work will receive awards during scheduled assemblies. Students in 4th, 5th, & 6th grades will be honored for their excellent work. Parents are invited to attend these awards assemblies and share in recognition of the students' outstanding achievement. Invitations are generally sent home with students. Students in 3rd grade are celebrated in Semester 2 for their excellent work for the school year. \*Parents must preregister to attend these assemblies via Google links that will be sent out.

### **STANDARDS BASED REPORT CARDS GRADES K-6**

The WUSD Board of Trustees is absolutely committed to providing a safe, distinguished and engaging learning environment that ensures all students learn to their highest potential. A particular focus for the board is to improve the accuracy and consistency of grading, which measures what students know. The board asked Westside's Educational Services Department to design a grade reporting tool which: 1) Reflects progress and mastery of content standards; 2) Is predictable and understood by parents and third parties; 3) Has non-academic factors graded separately; 4) Is not an overwhelming task for teachers. In order to design a grade-reporting tool that meets all of the criteria outlined above, the district assembled a committee comprised of teachers, administrators and parents, who will research, design and piloted a standards-based report card. This year grades K-6 will be utilizing a standards-based report card with a 4,3,2,1 grading scale.

#### **Grade Level Field Trips**

Grade Level Field trips are used to complement the curriculum. Grade Level Field trip permission forms must be completely filled out before the field trip (regardless of if the trip/event is on or off campus). Without them completely filled out before the field trip, your student cannot attend. A note from the parent is not sufficient for a child to attend a field trip, only eligible students, with completed district forms, will be allowed to attend. Students with any outstanding debt to the school or school district will not be allowed to attend a field trip. Field trips are both onsite and offsite formats.

### **SCHOOL DISCIPLINE**

>Please keep in mind that the list in this handbook is a simple list of common rules. Students are expected to follow normal rules as they would in your home, or in public buildings as required by law. Rules are subject to change, but all changes will be clearly announced to students and parents.

>Student behavior, which prevents a teacher from teaching, other students from learning, or creates disruption, will not be tolerated.

>Students are to arrive to their classrooms promptly in the morning and after recess/lunch. Proper attention to promptness now can avoid serious problems later.

>Due to student confidentiality, cameras are not allowed at school with students at any time unless explicit permission has been given by a staff member. This includes cell phone cameras.

>Students are not to leave the school grounds after their arrival unless they have been signed out by their parents or guardian in the office.

>Students are to be courteous to others at all times. Name-calling, gossip, use of profanity, harassing other students, discourtesy and disrespect to others are not acceptable school behaviors and will be treated seriously.

>Any form of fighting is not allowed at school. Physical fighting always begins with name calling or other verbal exchanges. If students learn to avoid those problems, physical fights should never be a problem. Gregg Anderson enforces STRICT rules for any physical fights/confrontations. If a student is involved in a FIGHT, he/she will be suspended, regardless of who started the problem. Self-defense is defined as "The least aggressive form of action to remove yourself from a problem." Hitting another student is NEVER the least aggressive form of action and will result in immediate suspension. If a student is having problems with someone, they should walk away and seek help from adults on campus. Gregg Anderson enforces a two-fight policy, ANY STUDENT INVOLVED IN MORE THAN ONE FIGHT WILL BE CONSIDERED FOR A SITE TRANSFER OR EXPULSION!

>Gum-chewing, littering, defacing school or others' property is not permitted. Students are expected to do their part in maintaining a neat, attractive and clean campus and will be held accountable (possibly financially) for any damage to school property.

>Students are not to bring items such as candy, gum or toys to sell or give to other children at school. All fund-raising activities at school will be handled by the PTA.

>Students cannot share any food items brought to school, either from their snack or lunch. With allergies and other concerns, students are not allowed to share or accept food items from others without staff permission.

>Serious accidents are caused by students who run, push, etc. in the classrooms, corridors, cafeteria, or restrooms. Students can avoid causing accidents by using common sense and confining their play to the playground and to acceptable ways of playing.

>Teachers in 6th grade use a merit system for student discipline. Teachers keep track of student merits and students will lose merits for breaking rules. Loss of merits will eliminate students from participating in different activities.

>Students are expected to obey all school rules and to behave in the classroom and on the playgrounds in a manner that reflects respect for all people and for school and personal property. \*(Students and their families are responsible for paying any costs to replace school and personal property they destroy.) Teachers maintain discipline in the classrooms by making the rules clear to students, encouraging appropriate behavior, and applying consistent consequences when needed. Playground supervisors maintain discipline during lunches and recesses, along with support from the teachers and administrative staff.

>Typical consequences could include, but are not limited to, a warning, time out, removal from a certain area of the playground, detention, and/or a phone call home.

>Defiance, disrespect for authority, gambling, threats/harassment, and continued disobedience are serious problems and will result in a referral to the office. Consequences will be subject to the following guidelines:

- 1st and 2nd offenses– student may be given a warning or a detention.
- 3rd, 4th, and 5th offenses – parent will be contacted, and the student will be given two to five days detention.
- \*FYI Detentions may be held after school.
- 6th and subsequent offenses – Student will be suspended for one to ten days

>Fighting; gross defiance; disrespect; stealing; possession of a weapon (real or imitation) or other dangerous objects including knives, matches, guns, laser pointers, fireworks, etc.; possession or use of any controlled substance, misuse of any fire alarms, lying and serious threats, possession of cigarettes, tobacco, etc.; possession of drugs (including alcohol) bullying and sexual harassment are grounds for automatic suspension and can lead to expulsion from the Westside Union School District.

>Cyber bullying will not be tolerated.

>Our goal for our students is that they have a successful school experience. The time we take to discuss school rules with your child(ren) at school and that you spend at home will help ensure this success throughout this year. If problems do arise, we will make every effort to contact you to enlist your help and support in solving problems early. Our success with your children heavily depends upon the home and school working together to bring about the best learning situation possible. We encourage your active involvement in your school.

>Your cooperation in discussing the importance of these rules with your child will help to ensure a healthy, happy and productive school setting for all of our school children.

### **BULLY PREVENTION POLICY**

Gregg Anderson Academy believes that all students have a right to a safe and healthy school environment and have an obligation to promote mutual respect, tolerance and acceptance.

Gregg Anderson Academy will not tolerate behavior that infringes on the safety of any student.

Bullying and hazing are serious matters. **Bullying** is any mean or disrespectful behavior that is done on purpose to hurt someone physically or emotionally. A desire to hurt + a hurtful action + a power imbalance + repetition + an unjust use of power + evident enjoyment by the aggressor + a sense of being oppressed on the part of the target. **Hazing** is any initiation into a team or group that may cause humiliation, physical or emotional harm. A student shall not intimidate or harass another student through words or actions. Such behavior includes direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion.

There are different types of bullying and misconduct including, but not limited to:

**Physical Bullying:** hitting, kicking, pushing or other unwelcome physical contact.

Serious physical bullying may be regarded as a criminal act, such as battery or assault.

**Cyberbullying:** using electronic devices to embarrass, spread rumors, threaten or intimidate. This includes posting or sending inappropriate messages or images by text, cell phone or on social networking sites such as Facebook, Instagram or Twitter. Sending nude or sexual images may be considered distribution or possession of child pornography, which is a crime.

**Social Bullying:** leaving people out, rejecting, manipulating relationships, rating or ranking people, or trying to ruin the reputation of another.

**Verbal Bullying:** name calling, teasing, spreading hurtful rumors or gossip, making threats or rude noises. All threats are taken seriously and may be reported to law enforcement.

**Non-verbal Bullying:** posturing, dirty looks, stalking, damaging property, graffiti, making gang signs or other efforts to intimidate or pressure someone.

**Indirect Bullying:** getting someone to do something mean or hurtful to someone else on your behalf.

**Sexual Harassment:** any unwanted or demeaning behavior about someone's sex, sexual orientation, gender or gender identity or gender expression. *Sexual harassment may require additional investigation.* (Even if I like the person, I must be respectful at all times.)

**Discrimination:** targeting someone based on their real or perceived race, color, national origin, religion, disability or medical condition, sex, sexual orientation, gender, gender identity or gender expression may be considered an act of hate and may be a crime.

Gregg Anderson Academy expects students, parents and/or staff to immediately report incidents of bullying to the principal or designer. Each complaint of bullying shall be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period, whether on or off campus and during a school-sponsored activity.

To help ensure bullying does not occur on our school campus, Gregg Anderson Academy will provide staff development training in bullying prevention. Students will participate in campus-wide bully prevention lessons which will take place during designated class times.

### **SCHOOL COUNSELORS**

Elementary and middle school counselors support student growth in the areas of academics, career and personal/social development. These services may address a variety of topics such as: friendship problems, goal setting, academic progress, study skills, bullying, self-esteem, working with others, decision making, managing/understanding feelings, peer relationships, career exploration, social skills, etc. It is important to establish respect and trust with students; therefore, student confidentiality will be respected, with possible exceptions to high-risk behaviors, harm to self or others, or neglect requiring immediate outside services and/or law enforcement. Counseling services can be delivered in a variety of formats such as one-on-one, small group, classroom sessions, and/or large settings. School counseling services are provided on an as needed basis throughout the school year; however, these services are not intended as clinical therapy.

School counselors can assist parents with understanding the developmental changes of childhood, facilitating collaboration between parents and teachers, and providing community resources. Please contact the school if you would like to refer your student for counseling services. Our school counselor is Sara Gordon and her email address is: s.gordon@westside.k12.ca.us

### **CELL PHONES / ELECTRONIC DEVICES**

Students are allowed to have cell phones and/or electronic devices (including smart watches) at school, but they must be turned off and put away. Smart watches may NOT be used as a phone, recording, or communication device at school. With permission from a school employee, students may use their cell phone to place a call or text. ANY cell phone (pagers or other electronic signaling device) that is found on, goes off, or is not "put away" will be confiscated by school staff, given to the principal, and only returned to the parent. If a student has their cell phone confiscated more than once, they will not be allowed to have it back at school for the remainder of the year. The school is not responsible for any lost or stolen cell phones and/or electronic devices. With teacher permission and signed permission form, students may use their electronic devices at school for educational purposes.

### **ATTENDANCE**

Daily attendance at school is an important part of your child's school success. However, if it is necessary for your child to miss school, please be sure he/she has a NOTE from you when he/ she returns.

Please be aware that California law requires verification, and that the only **legally** excused absences (even if they are verified) are those for **illness, medical or dental appointments, exclusion from school for lack of immunization (limited to five days), court appearances where the student is required to be present, and funeral services of an immediate family member (mother, father, grandmother, grandfather, brother, sister or any relative living in the household) - one day for in-state and three days for out-of-state (unless otherwise approved by the principal.)** All other absences are considered UNEXCUSED, and we encourage parents to place their son/daughter on Independent Study. (See page 25)

#### **Absence lines are available 24 hrs a day, seven days a week.**

| District Office                    | 661-722-0716 ext.12900 |

*Board Policy states: "All absences must be verified by the 4th day following the absence. Those absences not verified by the 4th day will remain unverified and will be considered truant."*

### **Three Ways to Clear Absences**

When reporting absences please include 1) child's name 2) child's teacher 3) date(s) of absence 4) Reason for absence(s).  
**Please choose only ONE of the following methods to report absences:**

1. Use Parent Square AFTER you receive a notification (Parent Square will send you a notification at 6:00 pm, the day of the child's absence)
2. You may email [ga.attendance@westside.k12.ca.us](mailto:ga.attendance@westside.k12.ca.us)
3. Call the Gregg Anderson School Attendance Line 661-974-8542

### **TARDY POLICY**

In order for school to begin on time, all 4th, 5th and 6th grade students must be on campus before 7:38 AM. At 7:38 AM a bell will ring and they will line up for class. Class begins at 7:40 AM. All Kindergarten – 3rd grade students should be on campus before 7:47 AM. At 7:47 AM a bell will ring and they will line up for class. Class begins at 7:50 AM. If a student is not with their class at that time, he/she is tardy. Mod/Severe classes begin at 8:15 AM.

It is very important to remember that parents may not excuse their student for being tardy other than for a doctor or dentist appointment (or other reasons that would be accepted for an absence) for which they need to bring a note from the doctor for their file. By law, we cannot excuse tardies due to traffic problems, flat tires, or other unforeseen circumstances. We greatly encourage students to be on campus prior to 7:30 AM to avoid tardies; traffic is also extremely heavy after 7:30 AM. The staff appreciates your concern and cooperation regarding building good work habits in our children.

Please help your child develop good habits about punctuality by encouraging prompt arrival at school. Students who report to school more than 30 minutes late without a doctor's note or a verified excused reason will have that tardy counted towards truancy.

Once a child has an unexcused tardy, they are disqualified from Perfect Attendance.

Tardies, including unexcused reverse tardies will have the following consequences each month:

- 1st tardy - warning
- 2nd tardy - recess detention and **no free dress** for the month
- 3rd tardy and every subsequent tardy - recess and lunch detention

Same consequences in a calendar month for students who are picked up late.

### **LATE PICK UP**

GAA allows one late pickup per semester. Recess detention and loss of free dress will be assigned for all subsequent late pickups. Late pick up is room D3.

### **REVERSE TARDY**

Students who leave early will receive a reverse tardy.

### **EXCESSIVE ABSENCES AND TARDIES**

Students who are absent for significant periods of time may be considered for retention.

Any child having 30 absences in a year, whether excused or not, will automatically be considered for retention. The accumulation of more than three absences a month, for any reason, is considered excessive absences. The school administration, attendance liaison, and teacher will be in contact with you about attendance concerns.

**Reminder:** Three unexcused absences or unexcused tardies in excess of thirty minutes constitute a truancy (Ed. Code, #484631). If your child is tardy for an excused reason but does not bring in a note to the teacher/office, the tardy will be considered unexcused. We recommend that an adult come in with the child(ren) to sign him/ her (them) in. This is a safety precaution.

Two letters home concerning a student's tardiness and/or absences may force the school to refer the parents and student to the School Attendance Review Board (SARB). Students referred to SARB who have unexcused absences are subject to ticketing which will result in a fine and a court appearance.

### **INDEPENDENT STUDY**

If your child will miss school for any other reason, please contact the school so that arrangements can be made for him/her to keep up with the necessary class work through an Independent Study Program. THIS IS VERY IMPORTANT!!! Even though this is an option, we encourage the parents to assist the school. We lose over \$60.00 per child per day for any absence. This is the

same as having a portion of the family household money decreased unexpectedly. When a district budget is cut, the school budget is cut. The result is that every student suffers because of lack of supplies.

#### Short-Term Independent Study (STIS):

The Westside Union School District offers a Short-Term Independent Study (STIS) Program as an optional educational program voluntarily selected by parents/guardians. The program spans the 2026-27 school year.

The Westside Short-Term Independent Study Program is substantially equivalent work to missed classroom instruction. The Westside STIS students have the same rights and privileges as those attending school in person. Short-term independent study is an optional alternative for students who leave school for a short, extended absence due to illness, vacation, or family emergency. STIS may be used for up to 15 days of absence per school year. This agreement ensures that students can continue successfully reaching their grade-level academic objectives through the 2026-27 Westside Short-Term Independent Study Program.

Students absent from school miss six hours of instruction that cannot be made up. Students who miss more than 5 days of school each year typically don't perform as well as those in attendance every day. This is official notice to all parent(s)/guardian(s)/caretaker(s) that students must be in school every day on time. With budget cuts in California schools, staff cannot devote time to students who are chronically absent. Students with more than 10 absences will not be referred to tutoring (if available) or to Student Intervention Team Meetings.

Please contact Miranda Johnson via email with independent study questions that are 1-4 days in length.

Please contact Michele Heckenliable via email with independent study questions 5 or more days in length. The school needs a minimum of 5 school days notice prior to Independent Study that are 5 or more days in length in order to prepare materials. All 5 or more day Independent Study contracts require administrative approval. We cannot do this after the fact.

#### **WITHDRAWALS**

When a student is being transferred to another school, you as the parent need to notify the school office and come in to complete the check-out process. This will enable the staff to efficiently get the necessary paperwork taken care of to forward on to the next school.

### **HEALTH SERVICES**

#### **ILLNESS OR INJURY AT SCHOOL**

Please be sure that we have an accurate address and phone number where you may be reached during the school day. Should your child become ill or injured during school, it will be necessary for us to contact you immediately. For your child's protection, it is also necessary for you to provide us with the name of three local alternate people to contact in the event we are unable to reach you. It is important for this information to be current at all times. Remember, our ability to contact someone immediately may be the difference in obtaining appropriate medical care or attention for your child. If the parents cannot be reached, the numbers on the emergency card are not available, or the parties do not wish to take responsibility, we will call 911 if we feel it necessary to do so. In this event, the school or the district is not responsible for the charges, and the student will be taken to the closest hospital to the school (Antelope Valley Medical Center).

#### **MEDICATION**

It is usually possible to work out a schedule with your physician to administer the medication at home before and after school rather than during the school day. If this is possible, we encourage you to do this. However, if it is necessary for your child to take medication (over-the-counter medication included) during school hours, the following procedures must be followed:

1. A Request for Medication form needs to be picked up from the office, filled out and signed by the doctor and parent/guardian. The form needs to be returned to the school office by the parent/guardian.
2. The medication must be in the original container and properly labeled by the pharmacist.
3. Medications must be brought to the office by the parent or guardian. At no time may the student bring it.

Thanks for helping us to safeguard your child's health.

### PHYSICAL EDUCATION

All students are expected to participate in PE. If a student is not able to participate, a parent may excuse them from PE with a written note and email. A parent can only excuse a child from PE for three days, after that, a doctor's note is required. Send notes and emails to nurse, teacher, & PE teacher. Parents and students, please keep in mind that if a child is excused from PE (or has restrictions for PE), those same restrictions will apply to recess time.

### SUBSTANCE ABUSE PREVENTION EDUCATION

Throughout the school year, students will be provided with educational opportunities that will encourage them to adopt a healthy lifestyle. One of the main components will be programs that emphasize a "Say No!" approach to drugs, alcohol, and tobacco by encouraging a strong, healthy self-concept.

Parents should remind their students that possession or use of any alcohol, tobacco products or illegal drugs will not be tolerated at school or school functions. Suspension from school, expulsion, and/or referral to an outside agency may result from such inappropriate student action.

All COVID related questions should be addressed to the health office via email:

- Ivonne Gonzalez – Health Coord – [i.gonzalez@westside.k12.ca.us](mailto:i.gonzalez@westside.k12.ca.us)
- Amanda Graves – RN – [a.graves@westside.k12.ca.us](mailto:a.graves@westside.k12.ca.us)

### MEDICAL INSURANCE FOR SCHOOL ACCIDENTS

The Westside Union School District **does not** provide medical insurance for school accidents. This means you are responsible for medical bills if your child gets hurt during school activities. If your child has coverage through another plan, you may use this coverage toward deductibles and co-payments. **The Student Health Care Plan is recommended for students with no other coverage**, since it covers both accidents and sickness 24 hours a day.

State law requires students participating in **inter-scholastic activities** to have accident insurance coverage, which include, but are not limited to Cheerleading, Super Science Saturday, Robotics, AVID and all sporting teams.

There are several options for parents to choose from. Applications are available online at [www.healthapp.net](http://www.healthapp.net) or you may pick up a form in the school office. Available from your child's school are plans from the companies: Myers-Stevens & Toohey & Co., Inc. and Pacific Educators Insurance Services. Please contact the company of choice directly for any questions.

\*Please be sure to indicate your choice regarding participating in the insurance program on the Student Emergency Information form.

## SAFETY

### LEAVING SCHOOL GROUNDS

Students are not permitted to leave the school grounds prior to dismissal time unless they have been signed out in the office by their parent, guardian or other people listed on the student's emergency card and have permission from school staff. We strongly urge you to send a note to school with your child so that the classroom teacher can send your child to the office at the specified time. If students return to school after being signed out, the adult needs to come into the office and sign the student back in before the student returns to class.

If your child is going to be going home after school any way other than what he/she normally does, a note must be sent to the teacher. Without a note, your child will be sent home his/her normal way. **Students need to be picked up promptly at 1:45 PM (grades K-3) and 1:50 PM (grades 4-6)**. If you are unable to do this, please make other arrangements for them to be picked up on time. We do not have playground supervisors on the grounds after school, so students are not allowed on the playground while waiting to be picked up. Students are to exit campus through the exit gates or wait at those gates for their ride. We really encourage you to either be on time to pick your child(ren) up or make arrangements for someone else to do so.

### SECURE CAMPUS POLICY

In an effort to keep all of our students and staff safe at all times, we are a locked and secure campus. Parents, volunteers and visitors cannot enter campus from 7:20 AM - 2:20 PM without signing in through the office. With the exception of the first day

of school, parents will drop their children off at the school gates in the morning without entering campus. School staff will ensure that all students report to class.

#### **DISASTER DRILLS**

Earthquakes and/or fire drills are held monthly. You may arrive at school to find our doors locked with a sign indicating which drill is occurring. Be patient during lockdowns – we practice helping keep all of us safe. All gates are locked during after school programs as well.

#### **EARTHQUAKE SUPPLIES**

As much as we hope an earthquake doesn't happen, we want to be prepared if it does and need your help. Please be aware that our Safety Committee may be asking for needed materials.

#### **LOCK DOWN**

In case of a need to "Lock Down", the school uses a code that is announced over the speaker system or a portable speaker that lets the supervisors know to bring everyone into the classrooms. During a lock down, the entire campus will be secured, and no students or adults will be allowed to enter or leave. This means that NO ONE, except required emergency personnel, will be allowed onto campus during a lock down. In the event that we need to go into a lock down, we appreciate your understanding that your child's safety is our immediate concern and that you may be delayed in your ability to enter the campus to pick up your child. Please be patient and do not stop personnel who may be working to assist in the lock down.

#### **PETS AT SCHOOL**

Pets are not allowed on campus at any time without specific permission from the District Office or the school administrator. This includes all areas of the parking lot, playground, and classrooms/building.

#### **SUN SAFETY**

Hats are the best method of minimizing UV rays to face, nose, head, ears, and neck. We highly encourage students to wear Gregg Anderson approved hats to school (see page 15). Sunglasses and sunscreen are also allowed.

#### **EQUAL RIGHTS & OPPORTUNITIES**

It is the policy of this school to afford all students regardless of their sex, race, religious affiliation, equal rights and opportunities. You may contact the District Office, (661) 722-0716 if you have questions regarding compliance.
