## DISTRICT - 2026-2027 Weapons Awareness

The Board of Education prohibits the possession, use, or exchange of any weapon in any school building, on school grounds, at school-sponsored events, and on school-sanctioned transportation except as the possession and use of a weapon is authorized by law and required in the performance of the possessor's duty.

In accordance with Policy and Regulation 8467, any student who possesses, uses, or exchanges a weapon in violation of this policy shall be subject to stringent discipline, which may include expulsion. Any student who suspects or knows of the presence of a weapon in violation of this policy and fails to report the same shall be subject to discipline. Any person who possesses a weapon on school premises or school transportation or at a school-sponsored function shall be reported to the appropriate law enforcement agency.

A "weapon" is defined as anything readily capable of lethal use or of inflicting serious bodily injury. "Weapon" includes, but is not limited to, all firearms, knives, dangerous instruments intended to inflict harm, components that can be readily assembled into a weapon, explosive devices, and imitation firearms. (See Regulation 8467)

I have read the statements above and the related Policy and Regulation (available on the WTPS website) and acknowledge awareness of the definition of a weapon. I understand the penalty for possession of such an instrument on the school bus, in school, or on the grounds of the Wall Township Public Schools.

I acknowledge that I have read the appropriate document listed in this section.
