Strong foundations lead
to successful futures.
More ways to grow.

At SoWashCo Schools, we spark curiosity with a **continuous journey** that smaller private and charter schools simply cannot match. A strong elementary foundation grows seamlessly into middle and high school opportunities. Whether your child chooses a **top-tier college path** or **real-world industry skills**, their journey is paired with youth-to-varsity sports, championship fine arts and leadership activities that **inspire them to thrive**.

Start their journey. Choose SoWashCo.

Enrolling Kindergarten-Grade 12.

O - OUTSTANDING

Great! Your child is excelling in math and might be ready for more. Mathnasium's enrichment programs help high-achieving students stay ahead and go beyond the basics.

S - SATISFACTORY

Satisfactory sounds fine, but is your child truly understanding or just memorizing? Mathnasium's assessment reveals the difference.

U - UNSATISFACTORY

Don't panic! There's still plenty of school year left to turn things around, and helping students bounce back from math struggles is what we do best.

Your child's progress report just arrived. What does that math grade *actually* mean?

No matter where your child stands today, Mathnasium meets them exactly where they are and moves them forward. Through our tailored instruction and supportive environment, we change how students think about math. This progress report could be a turning point in their school year. **Schedule a free assessment today!**

The Heart of Kids Club Comes Full Circle

The heart of Kids Club isn't the games or crafts — It's the relationships that last long after childhood.

Entering her 27th year with the program, Heidi saw those connections come full circle when three former Kids Club participants – Jackson Miller, Theis Nelson and Fisher Engberg, returned to work as staff at Armstrong Elementary. Once students in the program, they now model the same kindness, respect and encouragement they received, serving as role models for the next generation. Reflecting Kids Clubs lasting impact on today's children and shaping tomorrow's leaders.

Kids Club

School-age Child Care

Kids Club provides high-quality child care to elementary-age students within SoWashCo Schools. Our purpose is to support the healthy growth and development of students through strong relationships and engaging, skill-building experiences.

Key Learning Areas

We provide a weekly curriculum with a variety of theme-based activities. Children are offered options to participate in group and individual activities in eight key learning areas identified by our families, Kids Club staff and school day staff.

- Social Emotional Learning • Art • STEM • Literacy
- Health and Wellness • Physical Activity • Life Skills
- Language and culture

Early Childhood Screening

Early childhood screening is a free and simple check of how your child is growing, developing and learning.

Families are recommended to have their child screened at age 3. Early Childhood Screening is required by the State of Minnesota for any child entering Kindergarten in a public school and in SoWashCo Schools required before enrollment in 4s Preschool (Sunny Scholars) program.

During screening a trained professional will check:

- Thinking, language and communication skills
- Social and emotional development
- Vision and hearing
- Height and weight
- Large and small muscles
- Immunization history

For further information or to schedule an appointment visit our website sowashco.org/screening

Have questions on your child's development?

No two children develop, grow and learn in the same way or at the same pace. However, children do develop in certain predictable ways. To review developmental milestones, encourage healthy development and learn additional resources for your child, visit Help Me Grow at www.helpmegrowmn.org or call 651-425-6121.

Preschool

SoWashCo Schools Preschool program provides a high-quality preschool environment with a variety of options for families. Families can enroll at one of our Early Learning centralized locations or at an elementary site. Learn more at sowashco.org/preschool.

2026-27 Preschool Registration

Priority preschool registration took place Jan. 5-Feb. 6, 2026. After Feb. 7, registrations will be taken on a first-come, first-served basis. Children must be 3 or 4 years old by Sept. 1, 2026 to register.

Enroll In Kindergarten

SoWashCo Schools has 16 elementary schools, all of which offer all-day kindergarten with excellent teachers and an engaging curriculum in math, language arts, health and physical education, social studies and science.

Enroll Online at sowashco.org/enroll

For additional assistance call 651-425-6328

Financial Assistance Application South Washington County Schools Community Education Youth Programs

Please submit this application with your registration form and a copy of your Educational Benefits letter for the current school year. Only one copy of the notification letter is necessary. If you have already submitted your family's letter to SoWashCo Community Education this year, please indicate that below. Financial Assistance applications and Community Education registration forms are available online at commmed.sowashco.org/financial-assistance.

Please complete a separate application form for each registration form.

Financial assistance MUST be requested ONE WEEK before the start of the course – late applications may be denied.

- You must live within the boundaries of South Washington County Schools (SoWashCo Schools) ISD #833 or attend school within the district to qualify for financial assistance.
- Financial assistance does not cover the cost of uniforms. Participants must pay for uniforms.
- All information will be kept confidential.
- Effective for courses beginning July 1, 2026, we are updating our distribution structure** to ensure financial assistance remains sustainable and reaches as many families as possible. These changes allow for a more equitable distribution of funds, helping us spread support across a broader range of participants and programs. By adjusting these rates, we can continue to provide meaningful discounts to district residents while maximizing the overall impact of our community resources.
 - Free Educational Benefits:** Families pay 45% of the course fee, minimum payment \$20.
 - Reduced Educational Benefits:** Families pay 50% of the course fee, minimum payment \$20.
 - Up to **\$200 per participant** in financial assistance is available each fiscal year (July 1–June 30).
 - The maximum discount is \$100 per course.
- DO NOT register online.** A staff member must complete your registration to apply your discount. Note: We cannot provide refunds if you register and pay full price before your assistance is approved.

EDUCATIONAL BENEFITS

EVERYONE Should Apply

Every family with children enrolled in SoWashCo Schools is encouraged to apply for Educational Benefits, formerly known as 'Free and Reduced Lunch,' through their School Café account every school year.

Households that qualify will receive discounted or free services both in and out of school. **Even if a family does not qualify, their completed application could provide additional funding for their child's school.**
