Attendance Policy

School Hours:

The school office is open from 7:30 AM until 4:00 PM

Classes begin at 8:07 AM and end at 3:28 PM

Student attendance is a cooperative effort and we want to work together with families to make sure your child is at school every day and on time as required under the provision of the law. Chronic absenteeism, missing more than 10 percent of the school year, has become an epidemic in America's schools. Chronic absenteeism includes excused absences, like for being sick, and unexcused absences. A missed day here and there may not seem like a big deal compared to missing several days in a row. But missing just two days a month adds up to a child being "chronically absent." Chronic absences keep kids from getting the consistent instruction they need to build on basic skills. In addition to less instruction, they miss opportunities for intervention, reteaching, and enrichment. Missing a certain number of days - for any reason - triggers us to start a truancy process, which involves documenting attendance and filing a report with the court system. Below is an explanation of the process we use when students are absent from school.

Compulsory Attendance Procedures (full Policy is available in office and on website)

5th Absence - If a student fails to report to school for a total of 5 days contact will be made with the parent either by phone or in person to obtain an explanation for the absence and to explain to the parent the consequences of continued non-attendance. Together a plan will be developed to resolve issues related to non-attendance. Upon the next absence after the above discussion, a conference will be scheduled and take place within the 15th school day after the sixth absence.

10th Absence - After a student has missed 10 days, we will require a doctor's note for all additional absences. All absences after 10 will be unexcused. Students are expected to return to school from early appointments, if possible. The following actions may be taken for students who are absent for an unacceptable reason or have chronic absenteeism:

- *After School Detention

- *Loss of course credit

- *Social Probation - No after school events at any RCPS campus

Additional Absences, the principal will file a complaint with the juvenile and domestic relations court alleging the pupil is a child in need of supervision (CHINS). The Code of Virginia also requires schools to report non-attendance of children receiving Temporary Assistance for Needy Families (TANF) to Social Services. Families must comply with the compulsory school attendance law in order to receive TANF.

Students may only miss all or part of a school day ten (10) times for reasons of illness with a parent's note. After the tenth excused check-in, check-out, or absence due to illness, a doctor's note may be required for each subsequent time that a student checks in, checks out, or misses an entire school day.

Students who are absent from school are not allowed to come back on campus that same day for social events or to practice/play sports.

Tardies - School starts at 8:07 each morning. Students are expected to be in class seated by 8:07 each morning. Excessive tardies may result in lunch detention and/or after-school detention.

Make-Up Work - Students who are absent from school will be allowed to make up work.

- Absent 1 day = 2 days to make up missed work
- Absent 2 days = 3 days to make up missed work
- Absent 3 or more days = 5-7 days to make up missed work

It is the responsibility of each student to request make-up work when they return from an absence. It is the responsibility of the teacher to provide make-up work or an alternative assignment when the student returns from an absence.

*Also remember to look at our Homework Hotline on the MRMS website to see what your child has from homework every night.

Grades and Homework

MRMS has 4 nine-week grading periods. Interims are sent home with the student mid-way during each grading period and at the end of each nine weeks.

The grading scale and grading categories for classes are as follows:

<u>Scale</u>	<u>Core Class Categories</u>
90-100 A	60% Summative Assessments (tests, projects, major quizzes, final essays, etc)
80-89 B	40% Formative Assessments (quick checks, exit tickets, classwork, rough drafts, etc)
70-79 C	
60-69 D	
0-59 F	

Low grades on interims and 9-week marks will result in interventions to help raise the grade. Students are expected to complete all assignments. Students may be asked to stay after school to complete missing work. You can find out what your child has for homework by visiting the MRMS website, going to "Parents & Students", and then clicking "Daily Homework". Homework assignments are listed under each grade level.

Communication

MRMS will communicate using phone messenger, Class Dojo, Facebook, and our MRMS website. All faculty and staff are accessible by email - addresses are located on our website under Faculty Directory. If you have specific concerns about a class, please contact the teacher to discuss.

School Attire Guidelines

1. You must have tennis shoes every day for PE class.
2. Clothing, which includes jewelry, and accessories should be free of messages that are violent, relate to drugs or alcohol, discriminate, or are pornographic.
3. Clothing must cover the torso - your belly. Clothing must conceal undergarments and tops must have armholes. Rips and tears must not fall in the torso area.
4. No hats or hoodies/hoods can be worn in the building.
5. Sunglasses may not be worn inside the building.
6. Blankets must be kept in lockers.

Cell Phone Policy (full Policy is available in office and on website)

Electronic devices such as cell phones, earbuds/headphones are to be turned off when students enter the building and may not be used until after the dismissal bell. During the instructional day students are required to leave their phones in their lockers or in their book bags turned off. They are not allowed on their person unless needed for a medical condition. This means if a student needs to contact a parent he or she can come to the office to call home. The same applies to parents wanting to get in touch with their children during the school day. Please call the office and we will get the message to the student.

Cell phones are not permitted in restrooms or locker rooms before, during, or after school.

Consequences for not following the cell phone policy:

Consequences for not following the cell phone policy:

- **1st offense:** Verbal reminder/warning for the student to place the device in their bookbag/backpack in their locker.
- **2nd offense:** Parent/Guardian will be contacted and the device will be confiscated by a school employee until the end of the school day. When a device is confiscated, it should be labelled with

the student's name, turned over to a school administrator as soon as reasonably possible, and stored in a safe location (main office). The student may retrieve the device at the end of the school day.

- **3rd offense:** Parent/Guardian will be contacted and the device will be confiscated by a school employee until the end of the school day. When a device is confiscated, it should be labelled with the student's name, turned over to a school administrator as soon as reasonably possible, and stored in a safe location (main office). The parent/guardian must retrieve the device from the school and meet with school administration regarding the offense.
- **4th offense:** Parent/Guardian will be contacted and the device will be confiscated by a school employee until the end of the school day. When a device is confiscated, it should be labelled with the student's name, turned over to a school administrator as soon as reasonably possible, and stored in a safe location (main office). The parent/guardian must retrieve the device from the school and meet with school administration regarding the offense. In addition, for a period of 30 calendar days, the student shall be prohibited from possessing a cell phone or other personal electronic communication device at school during instructional hours. The student may either leave the device at home or will be required to check the device into the office at arrival and retrieve it at dismissal. Students who violate this restriction will be subject to further discipline that is consistent with other forms of insubordination.

The refusal of a student to surrender their cell phone to any school employee will result in a disciplinary referral which could result in the suspension of cell phone privileges. Also, note that these offenses are cumulative and not from each individual teacher/staff member.

Videotaping

Videotaping, posting to social media, and/or taking pictures, using any device are prohibited unless assigned by a teacher. Possession and/or distribution of inappropriate materials of any type, such as, but not limited to, partial or full nude photos or videos may be subject to disciplinary action, loss of cell phone privileges, and referred to the courts for criminal prosecution. Students who record and/or share video of altercations or incidents will be disciplined as if they were involved in the altercation.

Chromebooks

8th grade students will be issued a chromebook and charger. If your child's chromebook is purposefully damaged or lost, a fine of \$200.00 will be issued for replacement costs.

Chromebooks should not be used to contact friends during class time, and should only be used for academic purposes. Failure to do so may result in your email and chats being restricted.

6th & 7th grade students will NOT be issued individual chromebooks. They will have access to them in their classes, as needed.

Lockers

Lockers will be issued to all students. No bookbags will be allowed in classes except for special circumstances. Sharing lockers or locker combinations is prohibited. Grade levels will have scheduled locker times.

Food and Drink

All food and drink must be disposed of properly. We take pride in keeping our school clean. Only water is allowed in the classroom. Energy drinks are not allowed here at MRMS. School breakfast and school lunch are free for all students for the 2026-2027 school year.

Health and Medical

All student medication must be dispensed from the clinic. Prescription medication must have authorization from the student's primary care physician. We must have a parental consent form signed for all over-the-counter medications. All prescription and non-prescription medication must be brought in and picked up by the parent in the original sealed container. Students will not be allowed to transport their own medication. The clinic will not provide any over-the-counter medication.

Disciplinary Guidelines

Rockbridge County Public Schools is committed to working with parents and utilizing school-wide systems to teach, model, and reinforce positive conduct. When students do not demonstrate expected conduct or engage in misconduct that creates a disturbance in the learning environment, or unsafe conditions for others in the school, a range of interventions and consequences are utilized. Under the *Code of Virginia*, certain misconduct is expressly prohibited on school property, buses, and during school-sponsored activities and may result in prescribed consequences. Other misconduct may result in interventions and/or disciplinary consequences determined by the principal, taking into consideration all relevant factors.

Student Rules and Regulations

Students have the responsibility to live by the school rules and regulations and the right to equal protection under the rules and regulations. It is the student's responsibility to obey all school rules and regulations. Rules and regulations are necessary to assure self-control and to protect the rights of all teachers/substitutes to teach and of all students to learn without disturbance.

It is impossible to write an "all-inclusive" policy; therefore, these guidelines are subject to modifications as circumstances, evidence, and discretion dictate. The same rules and regulations shall apply to all students whether on our school campus, at a school event, on another school campus, or on school-sponsored field trips.

Applicability of School Rules and Regulations

School rules, regulations, and due process procedures are designed to protect all members of the school community in the exercise of their rights and duties. These rules are effective during the following times and in the following places:

- En route to (including bus stops) and from school on a school bus or other school vehicle;
- On the school grounds before, during, or after school hours;
- Any student participating or attending any school-sponsored activity, function, or event;
- Any student on field trips or on the campus of any other school;

Please be aware that student conduct outside of school hours and off school campus may result in disciplinary action if the conduct causes a disruption to the school. Examples of this include, but are not limited to, threatening or taunting social media posts and/or messages that involve students, faculty, or staff.

The following is a list of infractions that are a violation of School Board policy. While not an all-inclusive list, it represents many of the behaviors that will result in disciplinary actions. SUSPENSIONS

Students must make up all written work, tests, and quizzes missed during a suspension. The number of days allowed for make-up work to be completed will be determined by the length of suspension. For example, upon return from a two-day suspension, the student will have two days to complete all make-up work. The maximum allowable time for making up work missed during a suspension that exceeds five days will be five days.

All written assignments given prior to a suspension that is due at any point during the suspension are due the day the student returns to class. Also, any assignment given prior to a suspension that has a due date of the day the student returns to class must be turned in on the first day that the student returns from suspension.

Students making up tests, quizzes, or assignments designed to be completed in class or in a specific amount of time may be requested to come to school early, stay after school, or even complete the work in an alternative setting. It may not be possible for some work (i.e. lab work, physical education activities, group

work) to be made up during class time; however, individual teachers may choose to allow such make-up work or provide alternate assignments as long as they extend this privilege to all students consistently.

Students who are suspended for 3-10 days will be referred to the Suspension Center at Rockbridge Pathways. The student's classroom teachers will provide work to Pathways, and the staff teachers will provide instruction and support for continuous learning.

SOCIAL PROBATION

Social probation is a restriction placed upon a student or group who fails to demonstrate responsible behavior and who has chosen to violate the school's code of conduct, school board policy, or the law. Students on social probation lose the privilege to attend or participate in school functions such as dances, athletics, extra-curricular events, and nonacademic field trips.

Students may be automatically placed on Social Probation for the following:

- 1) A 10% or more absenteeism rate (Unexcused)
- 2) Possession/Distribution/Use of a controlled substance
- 3) Discipline Referrals

The administration reserves the right to place a student on social probation in order to uphold the safety and security of all students.

Search & Seizure

A search involves an invasion of privacy. Whether a search of a student is permissible depends on a balancing of the student's right to privacy and freedom from unreasonable search and seizure against the school division's responsibility to protect the health, safety, and welfare of all persons in the school community and to carry out its educational mission. To maintain order and discipline in the schools and to protect the health, safety, and welfare of students and school personnel, school authorities may search a student, student belongings, student lockers, or student automobiles under the circumstances outlined below and may seize any illegal, unauthorized, or contraband materials discovered in the search.

Sport Requirements

All full-time MRMS students can try out for the following sports: football, girl's basketball, boy's basketball, cheerleading, cross country, volleyball, track, and wrestling. Students must have a completed VHSL physical on file at Maury River Middle School before they may try out and/or participate.

It is the responsibility of each parent/student to provide their own insurance for each activity. Maury River Middle School is not responsible for individual insurance.

8th graders may try out for and be part of JV sports at the high school.

Students are expected to attend all practices and games unless they have personally notified their coach or sponsor. (If you are absent from school or leave early, you are not allowed to participate that evening of your absence/early dismissal.)

Athletes are expected to be active members in the classroom, fulfilling all requests and assignments at a satisfactory level. Students failing 2 or more core classes will not be allowed to participate in MRMS sports. Students with low passing grades may be required to participate under an academic contract or may lose the privilege to participate. The administration will closely monitor grades. Behavior problems will not be tolerated.

MRMS athletes are very visible representatives of our school. Failure to comply with the above expectations may result in temporary, long term, or permanent suspension from the team or activity. The decision will be made by teachers, coaches, and administrators. Students must be accompanied by an adult to all sporting events including the ones at RCHS.

Energy Drinks are PROHIBITED at MRMS. VHSL prohibits all student athletes from consuming energy drinks. Any student caught consuming an energy drink during the day will be ineligible to participate in any athletic event on that specific day. This applies to workouts, practices, games, during practices and competitions.

School Socials

MRMS Socials are for the enjoyment of students. We have scheduled at least one monthly social event. The following guidelines must be obeyed by all students:

1. All school rules and regulations apply at socials. (Hats may be worn.)
2. Students attending the social must have a ride here by the end of the social.
3. Once students enter the social, they are not allowed to leave the building until their ride arrives.
4. A student must be in attendance on the day of the social to be eligible to attend.
5. Out-of-school suspensions, in-school suspensions, students on homebound/home-based, students in poor academic standing, and who have poor attendance may restrict attendance.
