Dear Friend:

Thank you for visiting the website of the Sherman Central School District. On our site you will find many links that take you inside our district and classrooms. I invite you to tour this site and see the outstanding work of our students and staff.

I am fortunate to be the superintendent in a community that strongly values public education. Our community is committed to providing the best resources available to prepare our students for their future. The quality of the school district is complemented by a vibrant business community and our proximity to recreational and cultural opportunities. Sherman is the ideal community in which to raise a family!

Our staff has a strong commitment to student achievement and excellence in academics. Rigorous, highly comprehensive curricular offerings throughout a student's elementary, middle and high school years enables our students to prepare for future success. Sherman's reputation of being a "Small School, BIG Impact" is so true! Now as we look into the future it is time for us to move beyond greatness. It is time to elevate and exceed expectations and we hope you will be a part of this adventure!

Thank you again for your interest in the Sherman School District. If you have any questions or comments, please feel free to send me an e-mail.

Sincerely,

Carrie Yohe
