Greene County Public Schools

Device Take-Home Agreement

By accepting a Greene County Public Schools device, you are agreeing to the following terms:

1. Parents and students acknowledge that any issued device is the property of Greene County Public Schools.

2. The device is to be used for instructional purposes.

3. Students must comply with the District's acceptable use policies in their use of any school district-provided device. The acceptable use policies can be found on the home page of our website; www.greenecountyschools.com.

4. If the device is not functioning properly, take the device to the media specialist at your child's school for assistance.

5. If the device or charger is damaged through negligence, vandalism, or failure to follow proper care guidelines, then you are responsible for the cost of repair or replacement.

6. If the technology is stolen, then a police report will need to be filed. Once the school receives the police report a replacement device will be issued.

7. The device and charger must be returned to Greene County Public Schools when a student withdraws from the school system or immediately upon a request from a school division official.

8. Failure to return the device and charger upon graduation or withdrawal from the District may result in being charged for the replacement value of the device and/or charger and the withholding of student records.

9. The device and charger must be returned to the school district in the condition it was initially provided to a student with consideration to reasonable use and care.

*Parents, please be aware that the webcam may be enabled on the Chromebook for instructional purposes.

*The programs to be used for communication purposes may capture student data, such as the student's email account, in order to function. These programs have been approved by Greene County Public Schools and will follow federal guidelines concerning the collection of student data.
