Dear Parents and Guardians,

We are very excited to have your child as one of our fabulous fourth grade students this year at CCSA! We are looking forward to the opportunity to work with you and your child. This year will be packed full of learning experiences and fun adventures!

We believe that teacher-parent communication is extremely important and we encourage you to contact us with any and all questions or concerns, as we will do the same. We will be available by Class Dojo, email, text, phone, or note! (We will give more detailed information about Class Dojo at the start of the school year.) Please keep an eye out for this information in the first few days of school, where you will have an opportunity to share about your child and the best ways to contact you. Your child will receive updates regarding academics and behavior through Class Dojo.

In order to promote academic success and a good classroom-learning environment, this year all students will be expected to abide by a few main classroom rules. We would like for you to be familiar with our classroom rules as well as the school rules and policies. Our main classroom rules are 1) Show everyone/everything respect 2) Always be prepared 3) Use appropriate timing. These rules will be communicated through a contract that we'll discuss at the beginning of the year.

We have very high expectations for this school year, and we are devoted to helping your child succeed! We believe that all students are unique and capable of learning. We look forward to working closely with you in order to make this possible for all students!

Included in this envelope is a "Wish List" of supplies that would be useful in helping to keep our classroom running smoothly. We would be grateful for any of the supplies you can send in with your child for classroom use. Once again, we are thrilled to be working with your child this year and we cannot wait to see all of the amazing achievements this year brings! Thank you for allowing us to be a part of your child's education.

Respectfully yours,

4th grade team
