

ParentVUE: Updating to the New App

This handout provides instructions on installing the updated ParentVUE (New) app for Synergy.

Please install the new app and uninstall the old one by **Sunday, 8/2**, to ensure your child's information is accessible via ParentVUE.

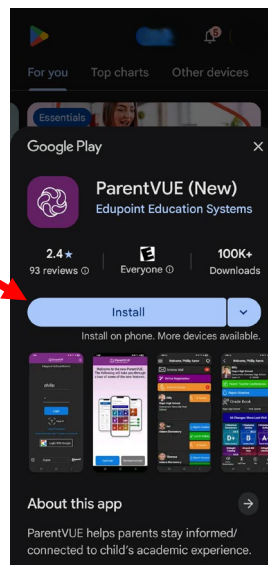

Step 1: Open the App

1. Open the **ParentVUE app** on your iPhone/iPad or Android device.
2. Select **Download** to begin downloading the **ParentVUE (New) app**

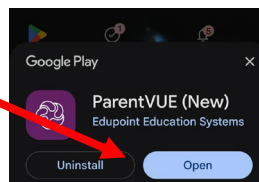

Step 2: Install the App

1. Select **Install** on your device

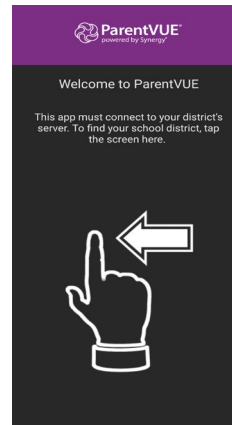

Step 3: Open the App

1. Select **Open** on your device

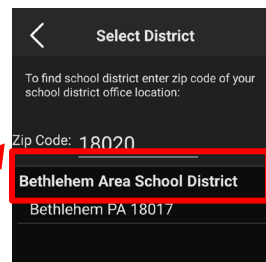

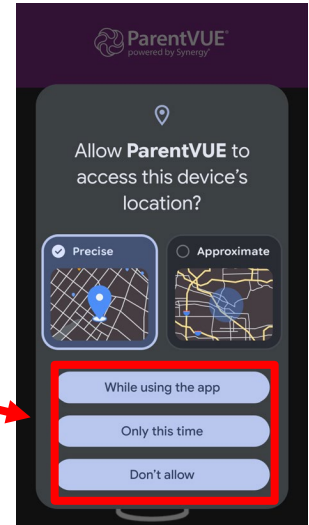

Step 4: Find Your School

1. **Swipe left** on the screen to search for school districts

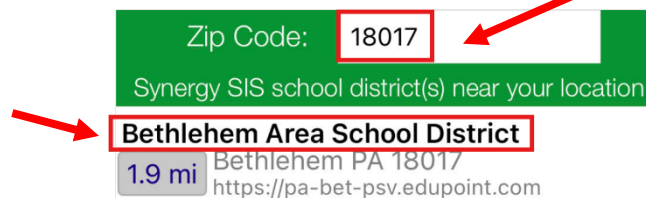

Step 5: Select Bethlehem Area School District

1. Select **one** of the *three* options:
 - a. **Allow Once**
 - b. **Allow While Using App**
 - i. If either of the options above are selected
 1. Click on **Bethlehem Area School District**

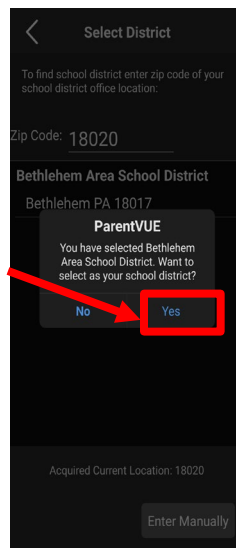

- c. **Don't Allow**
 - i. Once this is selected, you will have to enter your **Zip Code**
 - ii. Click on **Bethlehem Area School District**

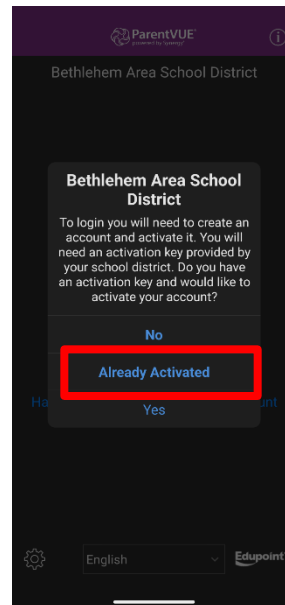

Step 7: Confirm the School District

1. Select **Yes** in the school district popup

Step 8: Login Activation Page

1. Select **Already Activated** and enter your login credentials

Step Step 9: Uninstall the Old App

1. After successfully logging into the new app, delete the old **ParentVUE** app from your device
