

PRINCIPAL'S WELCOME MESSAGE

JULY 27, 2026

Welcome to Larrea Middle School !

I am honored and excited to welcome our fourth class of 7th graders and our third class of 8th graders to Larrea Middle School! We can't wait to have you on campus, and I hope you are just as excited as I am to be part of this incredible school community.

As a Larrea student, you will become part of our growing history and help continue our tradition of excellence. Together, we will build a school culture rooted in academic achievement, character, and opportunity.

In our classrooms, students will work hard each day by coming prepared to learn, completing assignments, making positive choices, and building lasting friendships along the way. Our dedicated staff is equally committed to supporting every student by providing engaging, rigorous instruction that strengthens literacy, prepares students for high school and A-G college readiness, and offers exciting Career Technical Education (CTE) pathways, including Robotics and Medical.

Our vision is to create a school where every student feels safe, valued, and empowered to succeed academically and personally. We strive to foster an environment where staff members feel inspired, supported, and equipped with the resources they need to motivate every learner. Together, we are reimagining education in meaningful and impactful ways.

There will be times when life presents challenges. Some of our students may face circumstances beyond their control, but as a school community, we will never allow those challenges to define their future. We are committed to helping every student discover their strengths, overcome obstacles, and develop the resilience needed to achieve their goals.

Like the Larrea plant, which is native to our region and thrives in even the harshest desert conditions, our students will learn to persevere, adapt, and flourish. They will grow into successful, compassionate, and productive members of our community who will make a positive impact and leave a lasting legacy for generations to come.

I look forward to meeting each and every one of you and partnering with your families throughout the school year.

With kindness, hope, excitement, and sincerity, I wholeheartedly welcome you to Larrea Middle School!

Joe Williams, M.A.Ed., NREMT-P
