Harvest of the Month Strawberries

Farm of the Month

Mimi's Organic Farms is proudly woman-owned and operated by Domitila Tapia and her daughter, Marlen Tapia. Since founding the company in 2015, Domitila has brought years of agricultural experience and a strong passion for organic farming to her 20-acre farm in the Salinas Valley, where organic blackberries and strawberries are grown using sustainable and environmentally friendly practices. Dedicated to protecting the ecosystem, natural methods are used to manage pests and ensure high-quality produce. Certified by both California Certified Organic Farmers (CCOF) and Good Agricultural Practices (GAP). Mimi's Organic Farms remains committed to provide consumers with fresh, high-quality organic fruit while inspiring others to embrace sustainable farming practices for a healthier future.
