A Message from the Principal

Dear MHHS Students,

Welcome to a brand new school year at Mountain Home High School! Whether you're just beginning your high school journey or you're entering your final year with us, I want you to know how truly excited and proud I am to serve as your principal. The students are the spirit of this school, and it is a privilege to be your principal as you grow, learn, and lead over these next 4 years.

At Mountain Home High School, we are guided by our powerful “TIGERS” mantra that defines who we are and what we stand for: **T**radition, **I**ntegrity, **G**rit, **E**xcellence, **R**epresent, **S**ervice. These six words aren't just on our walls throughout the school; they are the foundation of everything we do and the standard we hold ourselves to.

- **Tradition** reminds us of the legacy we carry - the proud history of Tigers who came before us and the responsibility we share in upholding that legacy through our actions, our school spirit, and our pride in being part of something bigger than ourselves.
- **Integrity** calls each of us to be honest, accountable, and true to our word. What you say and what you do matter, even when no one is watching.
- **Grit** is the toughness you show in adversity. It's how you keep going when things get difficult, how you persevere when challenged, and how you rise when you fall.
- **Excellence** means doing your best in every moment. It doesn't mean perfection. It means bringing your best effort, your best attitude, and your best self to everything you do.
- **Represent** is about carrying yourself with pride. You represent your school, your family, your community, and most importantly... yourself. Choose every day to represent those things with dignity and respect.
- **Service** reminds us that we're not just here for ourselves. We're here to lift up others, to give back, and to be difference-makers in the lives of those around us.

As you move through the halls, sit in your classrooms, compete on the field, or perform on the stage, remember this mantra. Let it guide your decisions, your character, and your goals. It is more than just a motto - it's a way of life at Mountain Home High School.

Most importantly, please know this: **you are deeply valued, cared for, and supported.** You are not alone here. Our staff, teachers, counselors, and administration are all here because we believe in you. We are committed to helping you succeed, not just academically, but socially, emotionally, and personally. If you ever need help, encouragement, or just someone to listen, we are here for you.

This year, I challenge you to embrace our mantra, lean into your support system, and strive to make this your best year yet. You belong here, and we are so glad you're a part of the Tiger family.

Let's have an amazing year!

With Tiger Pride,

Mr. Cotton
Principal, Mountain Home High School

Accurate assessment of student achievement is essential in enduring academic growth for all students. Mountain Home School District utilizes state and district-developed assessment tools to ensure that a full range of assessment data is available for parents and school personnel.

These data are used in determining placement, participation in extension and remediation programs, and communication of progress as measured against Idaho Core.

Parent Portal Information

Canvas is available for students and parents to access grades, attendance, and other pertinent student and school information. A protected access code is needed and can be obtained by visiting the registrar. This information is important for registration purposes.

Julie Corder

Career Center Coordinator

School Code: 130-420

This School Code is for college entrance exams, ACT & SAT registration, correspondence courses or anytime a CEEB (College Entrance Examination Board) code is requested.

Course Correction Process

Students are **NOT** allowed to change classes if they received the classes they signed up for, unless there are extenuating circumstances.

PENALTY

The 4th day after the semester has begun, the only option is to drop the class with an F and receive a NC semester grade for the added class.

NOTE

Any parent/student requests submitted after the 4-day deadline and not in accordance with State and District Attendance/Hour Regulations will result in a semester grade of "F" in the class dropped and a semester grade "NC" (No Credit) for the class added.

Options for Credit Deficiency

- Students may retake that course one time and then they will be required to take summer school or find alternative options to receive credit for the course. The student will not be re-enrolled in the same class with the same teacher, unless other options are not available.
- Correspondence courses are another option for students, who, after the 1st and 3rd quarter, are not going to pass a class. They may enroll in correspondence courses to recover the credit. It may be possible for students to use school technology to complete online courses. Fees may apply.
- Bennett Mountain High School is also an option for those who need credit recovery. **There is a waitlist and process to transfer & students need to talk to their counselor about getting on the list.**

NOTE: 1) Schedules are computer generated; Parent/Student requests for specific teachers cannot be honored. 2) Any Parent/Student schedule change requests submitted after the four day deadline and not in accordance with State and District Attendance/Hour Regulations will result in a semester grade of an "F" in the class dropped and a semester grade "NC" (No Credit) for the class added.

Grade Classification & Class Load Requirement Policy

Each grade level needs a specific amount of credits before moving to the next grade classification. Each student is required to be in seven (7) credit-bearing classes and a minimum of six (6) credits during the second semester of their senior year to participate in the graduation ceremony and receive a Mountain Home High School diploma.

Note: Seniors who have acquired 42 credits by the start of their senior year, may inquire with their counselors about a half day class schedule.

Grade Status Requirements

- 10 credits = 10th grade status
- 22 credits = 11th grade status
- 36 credits = 12th grade status
- 50 credits = MHHS Graduate (all requirements must be met)

Graduation Requirements

For graduation requirements, please see your counselor and/or refer to the Student Planner.

NOTE: 1) Schedules are computer generated; Parent/Student requests for specific teachers cannot be honored. 2) Any Parent/Student schedule change requests submitted after the three day deadline and not in accordance with State and District Attendance/Hour Regulations will result in a semester grade of an "F" in the class dropped and a semester grade "NC" (No Credit) for the class added.

Academic Requirements for Honors

The Valedictorian and Salutatorian will be the students with the highest weighted GPA and the second highest weighted GPA in their class through 7 semesters. Also, to be considered for either of these accolades, a student must be enrolled as “full-time” status, meaning that they must be enrolled in a minimum of 5 credit-bearing classes here at MHHS at any given time. Any/all other AP/DC classes taken outside of MHHS, would be considered and factored into the GPA - as long as the minimum full-time requirement is fulfilled.

In the case of a tie, a tiebreaker will be based on the student with the most AP and/or DC credits.

MHHS GRADING SCALE			
<u>Percentage</u>	<u>Grade</u>	<u>Regular GPA</u>	<u>Dual Credit GPA</u>
90-100	A	4.0	5.0
80-89	B	3.0	4.0
70-79	C	2.0	3.0
60-69	D	1.0	2.0
0-59	F	0	1.0

Retakes

The grade from the second or subsequent time a course is taken will not be factored into computation of a student's GPA as part of the Valedictorian/Salutatorian process. Only the grade from the first time any particular course is taken will count in this process.

Attendance Policy

Philosophy:

Regular attendance and punctuality are necessary for student learning and achievement. Active participation in classroom learning activities is essential for a comprehensive educational experience; valuable learning opportunities are lost when a student is absent. It is the responsibility of the parent/guardian to aid school authorities in enforcing the attendance policy, while students are expected to attend class regularly and arrive promptly.

Absence Information

- Students shall be in physical attendance within the classroom to which they are assigned. Students will be counted absent on a period-by-period basis if they are not physically present.
- Students will be considered **tardy** within the first 20 minutes of class. They will be considered **absent** after missing 20 minutes of class.
- If a student has chronic absenteeism or tardiness, Mountain Home High School has the right to report attendance information to the court system and/or Idaho Transportation Department for suspension of driving privileges as allowed per state law.
- **Petition Process: As per state law, upon receiving the 9th absence (excused or unexcused), the student or parent/guardian must petition for reinstatement of credit by writing a letter explaining the reason and providing appropriate documentation.** Students with medical situations or other circumstances beyond their control may not be required to petition. Administration will have final say based upon individual student circumstances.
- Students are not permitted to leave school grounds during instructional hours without obtaining a **Permit to Leave** from the attendance office. Leaving campus without a Permit to Leave is considered truancy. Parents/guardians must give permission **prior** to a student leaving campus.

Excused Absence

Parents/guardians are reminded that excused absences are granted for legitimate reasons such as medical appointments, court appearances, and family emergencies. Parents/guardians are encouraged to schedule regular appointments and family activities outside of school time when possible. Written communication from the parent/guardian for excused absences is required within 48 hours of the last absence, except for school-related activity absences. A written statement of absence from a healthcare professional, such as from a doctor or dentist, may substitute for parent/guardian communication. Classwork, homework, and exams may be made up within the guidelines for make-up work (see Procedure for Make-Up Work below).

Planned or Extended Absences

Extraordinary absences, such as but not limited to the following, require a prior written request from a parent/guardian (activity teacher, coach, or advisor) to gain approval from the administration. Extended absences require a Leave of Absence form to be completed, signed by teachers, and submitted to MHHS Administration prior to the student's absence. If the absence falls during finals testing, the Leave of Absence form must be submitted at least one week prior to the beginning of finals week.

- **Field Trips:** Students must be in good behavioral and academic standing (no more than 2 failing grades) to participate in MHHS field trips. This includes (but is not limited to) any excessive attendance policy violations or disciplinary referrals. Unless permission is obtained, students not in compliance with these expectations will be ineligible to attend.
- **Illness/Accident/Surgery:** Confinement either at home or in a hospital, which can be confirmed in writing by a licensed healthcare professional.
- **Professional Appointments:** As confirmed by documentation within 48 hours of the absence, in writing by the appropriate licensed professional.
- **Court Appearance:** Verified by official documentation.
- **National or International Activities:** Events organized for the purpose of continuing competition or as an extension of an approved school program/contest, or special activities. Advanced approval required.
- **Bereavement:** Up to five excused days for a member of the immediate family.
- **Religious Observances:** When participation is required and can be verified by an appropriate church official or document.

Truancy

A truancy is an absence without the consent of the parent/guardian or school officials. Truancies occur when:

- The student is in the building but out of class without permission, (2) the student leaves school grounds without permission, or (3) the parent refuses to excuse an absence.
- Office personnel receive a forged note, or an unauthorized phone call is received.

NOTE: A truancy may reduce the opportunity for the credit to be earned through the petition process. Truancies accumulate throughout the semester, and will start over at the semester.

Tardies

In an effort to develop suitable lifetime skills and limit classroom interruptions, students are expected to be in class on time. **Students are allowed seven (7) tardies per quarter before consequences are applied.** Consequences will be overseen by the teacher or administration, depending on circumstances. Missing/skipping consequences for tardiness may result in further disciplinary action. There are no excused tardies unless official documentation from a healthcare professional is provided upon check-in; students are allowed a generous number of tardies each quarter to cover unexpected circumstances.

NOTE: There is no excuse for consistent or constant tardiness. Consistent/constant tardies may not be excused by parents/guardians. Should an extenuating circumstance occur, speak with an administrator.

Missing/skipping consequences for tardiness may result in further disciplinary action.

Attendance Guidelines

- **Appropriate Records:** Power School will be the authoritative documentation if there is a disagreement relative to a student's attendance.
- **Out of School Suspension:** A student's time spent suspended out of school will count toward their absence count and jeopardize the receipt of credit.
- **Withdrawal:** If a student has unexcused absences for ten (10) consecutive school days, they will be dropped from the official attendance roster for lack of attendance. Communications will be sent home to the parent/guardian.

Procedure for Make-Up Work

Classwork or tests announced while the student was in attendance prior to the absence should be handed in or completed the day the student returns to school. Unless previously arranged with an instructor, a student will be allowed two (2) consecutive school days for each day of an excused absence to make up for missed work.

- Make-up time **will not exceed five (5) consecutive school days** from the time a student returns to school following an absence unless it has been cleared through administration.
 - Make-up work is not allowed for unexcused absences, unverified absences or tardiness. Because of the nature of some participatory classes, make-up work cannot be offered.
 - Under NO circumstances will final exams be administered outside of scheduled testing periods without the administrator's permission.

(Subject to Administrative Discretion).

Personal Electronic Device Policy

ATTENTION:

Mountain Home High School will be implementing a new cellphone and personal electronic device policy. This policy is effective beginning with the 2026–2027 school year and supersedes any previous procedures or guidelines regarding student use of personal electronic devices during instructional time.

Scope

This policy applies to all students enrolled at Mountain Home High School and dual-enrolled students.

- 9–12 Grade Students: During instructional periods (defined as the start through the end of each class), students may not have a cell phone or personal electronic device on their person.

Note: Teachers and staff are expected to consistently enforce this policy in their classrooms. Teachers are expected to digitally document infractions. Repeated or serious student violations will be referred to the administration and handled according to the Mountain Home High School discipline procedures.

Why?

- The purpose of this policy is to establish clear guidelines for the use, storage, and management of cell phones and personal electronic devices at Mountain Home High School.
- The goal is to minimize distractions and foster a learning-focused environment by limiting student access to personal devices during instructional time.

Loss or Damage

Mountain Home High School and the Mountain Home School District are not responsible for lost, stolen, or damaged personal electronic devices brought onto campus.

Procedures

Each classroom will have a designated area where students are expected to place their electronic devices at the beginning of class. This area will be clearly identified and may include options such as:

- A classroom phone caddy or vault
- A designated basket or storage area
- The student's backpack

Devices must be powered off before being placed in the designated area. Teachers may establish a system to collect and return devices that ensures efficiency and accountability.

*Smartwatches and other wearable devices are exempt from being placed in the storage area but must be powered down during instructional time. **During assessments, teachers may require the removal of a wearable device.** Any use of or distraction caused by wearable technology will result in disciplinary action consistent with school expectations.*

Policy Infractions

First Infraction:

- The phone will be confiscated and taken to the main office.
- Parents/guardians will be notified.
- The student may pick up the phone at the end of the school day.

Second Infraction:

- The phone will be confiscated and taken to the main office.
- Parents/guardians will be notified and must come to the high school to pick up the phone.
- A meeting will be scheduled between an administrator, the parent/guardian, and the student.

Third Infraction:

- The student must turn in their phone to the main office daily until further notice.
- If the student fails to turn in their phone and is found to be in possession of a cell phone, additional disciplinary action will be assigned.

Further Infractions:

- Continued violations will result in the student not being allowed to have a phone on campus at all. Any possession of a phone after this consequence is assigned will result in additional disciplinary action. (Subject to Administrative Discretion).

Student Withdrawal Procedure

Steps-to-Follow:

- Students are to request for withdrawal **two weeks** prior to the leave date.
- If, for a valid reason, a student is unable to enter a school following withdrawal from MHHS, before the current semester ends, the student or parent may request early completion of semester work. Requests for early completion **MUST** be made **two weeks** prior to the completion date.

Arrangements must be made with the building's Principal.

- Withdrawal with semester credit cannot be given prior to 10 days before the end of the semester.
- If a student is withdrawn from school for non-attendance, truancies, behavior, etc., the student will receive semester "F's" in all classes.
- If a student is withdrawn from class at a doctor's request, see the counselor or administrator for appropriate arrangements.

Re-Admittance to MHHS

Students who were withdrawn because of behavior or attendance problems will be placed on a re-admittance contract if they choose to re-enroll the following semester.

Visit our website at: <http://mhhs.mtnhomesd.org/> to see the most updated handbook policies and staff email addresses.

Dress Code

The administration, faculty, and student body at MHHS believe there is a direct relationship among dress and personal grooming, conduct and wholesome living and thinking of young people. Students are expected to dress and groom themselves within the framework of individual pride, decency, cleanliness, and safety. Parental cooperation is expected to insure adherence to these standards. Students are encouraged to **"DRESS FOR SUCCESS"** and come to school properly prepared to participate in the education process. Any attire which is disruptive to the educational process shall be unacceptable.

Inappropriate attire is defined as dressing in a manner which disrupts the educational process, interrupts the learning environment, or endangers the health or safety of students, or any other persons. Students will be asked to cover or change into appropriate clothing. If this is not possible, parents will be notified, and students will be sent home. A degree of modesty is expected.

NOTE: All student discipline, including the enforcing of dress code policy, is subjective to administrative discretion.
