Hey Students!

If you plan to park on campus during the 2026-2027 school year, you'll need a parking permit. Getting one is easy—just follow these steps:

1. Complete the **parking permit request form**.
2. Purchase your permit through our **online webstore**.
3. Bring your **webstore receipt, license, and insurance card** to the front office to pick up your permit.

Take a look at the parking map to see where you're allowed to park. We have designated areas for staff, visitors, seniors, and students.

Heads up: Starting August 31, 2026 we'll begin ticketing vehicles parked on campus without a valid permit. Also, please remember that all vehicles on school grounds may be subject to random searches for prohibited items.

Thanks for helping us keep things safe and organized!
