

Tuition Information

- I. **General Process.** Because of the complexities involved in administering and interpreting tuition policies and administrative directives, administrators and teachers are to refer all students and parents requesting tuition information to the Enrollment and Transfer Center.
- II. **Resident Students.** Resident students attending an Oregon Virtual Charter School may enroll part-time in their neighborhood school with permission of the school administrator and payment of tuition at the rate established by PPS.
- III. **Non-resident Students.** PPS may, in the absence of an inter-district transfer agreement, unilaterally admit a nonresident student whereby neither the student's resident school district nor the PPS will receive State School Fund monies. Such students will be admitted only upon payment of tuition at the rate established by PPS.
- IV. **Foreign Exchange Students.** Students attending PPS schools on a J-1 Visa through PPS approved exchange programs may be admitted through waiver of tuition. Privately sponsored exchange students on an F-1 Visa will not be admitted to PPS. See Administrative Directive 6.50.030 (Foreign Exchange Programs).
- V. **Payment Default and Discontinuance.** Parents or guardians responsible for the payment of tuition will be billed on a quarterly basis. If these bills are not paid within 15 days after presentation, the student's enrollment is subject to cancellation unless satisfactory arrangements for payment of tuition are made with the business office. If a tuition student leaves before the close of the quarter, a refund for the overpayment will be made.
