SOUTH EUCLID–LYNDHURST SCHOOLS

2026-2027 KINDERGARTEN TRANSITION DAYS

To create a smooth transition for our kindergarten students, we have established a "phase-in" schedule. This format allows students to become more familiar with their teacher and new routines.

A parent or another designated adult must accompany the child for the entire "phase-in" half day. Upon arrival, enter through and sign in at the main entrance. **Please bring all your child's school supplies with you at that time.** During the "phase-in" session, adults will complete important forms and documents, while the children engage in activities with their teacher. The chart reflects the schedule of your student's transitions according to the child's last name.
