TRAVEL RELEASE CONSENT FORM
2026 - 2027 Season

Student Athlete: _____

Sport: _____

In the past, the only time student-athletes were permitted to leave with their parents from away games/contests (instead of taking the bus home) was due to extenuating circumstances. We are again offering the opportunity to allow student-athletes the option of going to or leaving away games/contests with their parents/guardians for this season.

This is to certify that my child has my permission to obtain a ride to/home from all LTHS Athletic Events for the 2026-2027 season, instead of taking the team bus:

I certify that I, the parent/guardian of the student-athlete mentioned above, am personally providing transportation or have arranged for transportation with an adult (non-student) listed as an official contact on our district parent portal, Realtime. The reason for my student-athlete not riding the bus is

_____.

I understand that the Lacey Township Athletic Policies require students to ride the buses to and from all athletic events. Departing from this requirement will release the Lacey Township School District from all liability for any adverse results that may occur.

I agree to release the Lacey Township School District and its employees and officers from all liability regarding the above-stated transportation.

This form must be on file in the Athletic Office before the dismissal of school on the day of the contest.
