NRHEG District Newsletter July 2026

Important Back to School Information

School Begins Tuesday, September 1, 2026

A Letter from the Superintendent

Panther Pride is often talked about, but this past year provided countless examples of what it truly looks like in action. From our classrooms and activity spaces to our athletic fields, community events, and volunteer efforts, the pride people have in NRHEG remains one of our district's greatest strengths. Every year brings its own challenges and opportunities, and the 2025-2026 school year was no exception. What continues to impress me most is the way our students, staff, families, and communities consistently come together to support one another and ensure NRHEG remains a place where students can learn, grow, and thrive.

Another strength of our district is the wide variety of opportunities available to our students. Whether their interests lie in academics, fine arts, agriculture, career and technical education, activities, athletics, leadership opportunities, community service, or countless other areas, NRHEG offers students the chance to discover their passions and pursue their goals. Our students continue to impress us with their achievements both inside and outside the classroom. Their talents, character, work ethic, and commitment to one another make us proud every day.

Just as impressive is the dedication of our staff members. Every day, our teachers, paraprofessionals, support staff, custodians, food service employees, bus drivers, coaches, advisors, and administrators invest themselves in helping students succeed. Their commitment extends far beyond the school day and often beyond what most people see. The positive relationships they build with students and families are at the heart of what makes NRHEG such a special place.

Our communities also continue to play a critical role in the success of our schools. The support we receive from parents, grandparents, community members, local businesses, civic organizations, volunteers, and countless Panther supporters remains remarkable. Whether attending concerts, cheering at athletic events, supporting fundraisers, volunteering time, mentoring students, or simply offering encouragement, our communities continue to demonstrate that Panther Pride is alive and well throughout New Richland, Hartland, Ellendale, Geneva, and beyond.

While summer provides a well-deserved opportunity to slow down and recharge, learning and growth never truly stop. Throughout the summer months, many of our staff members will continue participating in professional development, curriculum work, planning sessions, and training opportunities. As a district, we remain committed to continuous improvement and preparing our students for success in a rapidly changing world.

Several key areas will continue to guide our work moving forward. We remain committed to strengthening literacy instruction and ensuring every student develops the reading, writing, and communication skills necessary for future success. We will continue expanding opportunities for students and staff to effectively utilize technology and artificial intelligence as tools for learning, creativity, efficiency, and problem-solving. We also remain focused on personal and professional growth, encouraging reflection, lifelong learning, innovation, and a commitment to becoming better each day.

As we look ahead to the 2026-2027 school year, there is much to be excited about. We will welcome new students and families, continue building upon our strengths, and seek new opportunities to improve and grow. While educational challenges will undoubtedly continue to evolve, so too will our determination to meet them with creativity, resilience, and a student-centered focus.

For now, I hope our students, staff members, and families take time to enjoy everything summer has to offer. Spend time with family and friends. Recharge. Make memories. Explore new opportunities. Most importantly, take pride in all that was accomplished this year.
Thank you for your continued support of NRHEG Public Schools. Together, we have much to be proud of, and together, we have an exciting future ahead.

Have a safe, relaxing, and enjoyable summer.
Proud to be a Panther.
Mr. Meihak

Important Elementary Information 2026-2027

Elementary Conference Days: We are continuously looking for ways to improve our efforts to support communication between our families and our school. Our Bridges/1st-5th grade students will have a 30 minute conference per student, and parents and guardians are asked to come to school with their child, at the assigned time to meet with their child's teacher for an individual conference. Kindergarten families will meet in small groups for a 40 minute conference.

During these scheduled Kindergarten conference times, teachers will have an opportunity to share with both parents and students information about the grade level curriculum, daily classroom schedules, grading, classroom rules, and student expectations. The time with the teacher will be scheduled on **either Tuesday, September 1 OR Wednesday, September 2**. A portion of the conference will be a personal meeting with the teacher. The other portion of the conference will allow time for the teacher to assess and gauge where each student is at academically. This way, the teacher can plan ways to best support your student on the first day of instruction. During the student time with the teacher, parents and/or guardians will have time to fill out the necessary paperwork, and speak with our Physical Education, STEAM, and Music teachers.

After their conferences, students will be dismissed for the day and will return on Thursday, September 3rd for their first full day of school (Bridges/Kindergarten will follow a separate schedule).

Elementary Individual Student Pictures (Bridges - 5th Grade): Student pictures will be taken on **Wednesday, September 9**. Photo package information will be available during Day 1 and Day 2 Conferences. *Please plan to have your student's picture taken even if you do not purchase a package. The pictures are used for our Elementary Memory Book.*

School Hours: School begins at 8:30 a.m. for grades PreK-5. All students, including the New Richland-Hartland shuttle students, are dismissed at 3:05 p.m. The only students who remain at the elementary from 3:05-3:20 p.m. are the Ellendale-Geneva bus route students. Students who walk or ride bikes to school are asked not to arrive before 8:00 a.m.

School Drop-Off/Pick-Up Zone: Enter from 8th Avenue (directly behind Al's Body Shop), and drop-off/pick-up your student at the south end of the sidewalk by Doors # 8 and #9. Please exit using the west entrance of the parking lot. In an effort to maintain student safety and ease traffic, parents MUST use the south location as their pick-up and drop-off point. Also students arriving at school are not to be dropped off or picked up in the north parking lot or east side of the school during the hours of 7:30-8:30 a.m. and 2:45-3:30 p.m.

Students will not be allowed in the building until 7:45 a.m. School staff are there from 7:45-8:30 a.m. and 3:00-3:25 p.m. *Families will have the option to utilize our paid SAC (School Age Care) services that are available, but there is a fee associated with this service.***

Secured Entrance at Main Office (East Entrance Door 3) on School Street: When arriving at NRHEG Elementary all parents/guardians and all visitors are required to enter the building at our East Entrance. Once allowed into the building using our secured system, all visitors must register in the office. They will receive a visitor's pass before proceeding to an event or classroom. This system will be in place from 8:30 a.m.-3:05 p.m. during the school day.

Bus Pick-Up/Drop-Off Locations in Ellendale: To ensure that students safely travel to and from school, the district has identified the railroad tracks as a hazardous crossing. Therefore, there will be two pick up points for students living in Ellendale, one on each side of Highway 30.

North Pick-up in Ellendale: Southwest corner of 4th Street and 4th Avenue. Students are to wait on the sidewalk until the bus arrives.

South Pick-Up in Ellendale: North side of 7th Avenue between 3rd and 4th Streets. This is the parking area for Bonnerup Funeral Home.

Important Transportation Information

* **the New Richland morning shuttle buses depart the New Richland Secondary School (east side) at 7:55am to transfer students to the Ellendale Elementary School.**
* **the Ellendale morning shuttle buses depart from the Ellendale Elementary School (east side) at 7:55am to transfer students to the New Richland Secondary School.**
* **the New Richland afternoon shuttle buses depart the New Richland Secondary School at 3:10pm to transfer students to the Ellendale Elementary School.**
* **the Ellendale afternoon shuttle buses depart the Ellendale Elementary School at 3:10pm to transfer students to the New Richland Secondary School.**

*Route drivers will be contacting families with necessary information.

If you have questions regarding transportation needs, please call Dan Schmidt, NRHEG Transportation Site Manager at 507-417-2644 or email dschmidt@nrheg.k12.mn.us

Important District Information

Title 1 Help Available K-5. Title I is a Federally Funded Program to provide supplemental help to students who need help in the basic skills of reading and/or math. Title I help is available to students in grades K-5 who need extra help in reading and/or math. Two Title 1 teachers and four paraprofessionals assist students with building reading and math skills. Questions? Please contact Sara Ihrke, Title 1 Teacher/Coordinator.

Minnesota Education Credits: Have you heard about the Minnesota K-12 Education Credits? If not, you may be missing out on money you're entitled to. These credits can lower your tax bill, and even mean a larger refund when you file your Minnesota Income Tax return.

Two programs to help you pay for school expenses. Minnesota has two programs to help families pay expenses to their child's education: the K-12 education subtraction and the K-12 education credit. The subtraction and credit are both based on the actual expenses you paid during the year to help your dependent child's K-12 education, so keep your original receipts for educational instruction and materials, showing how much you spent. You'll need them in order to receive these credits and subtraction.

What kind of expenses qualify? Most expenses paid for educational instruction or materials used during the normal school day qualify, including: school supplies (pencils, pens, notebooks, folders, etc.), tutoring fees, fees for after school enrichment programs, summer academic camp tuition, music lessons and musical instrumental rental, home computer hardware and educational software, and non-religious textbooks. Public, private, parochial or qualified home school expenses qualify.

For more information and to find out if you are eligible for the subtraction, the credit, or both, check out our website at www.taxes.state.mn.us or call 651-296-3781 or 1-800-652-9094 and order the Minnesota K-12 Education Subtraction and Credit fact sheet.

Important Secondary Information

Open House for grades 6-12, 2-8 p.m. Thursday, August 27th. Parents and students will have the opportunity to meet the staff, get student schedules, fill out paperwork, and attend general information sessions.

School Begins September 1, 2026.

On the first day of school ALL students & faculty will report to the HS Gym at 8:28 a.m. for a meeting. At 9:05 a.m. there will be class meetings. HS locker assignments will be posted in the commons area. MS locker assignments will be posted on the fire doors by the office.

Interquest Detection Canines- School Detection and Deterrence Programs. NRHEG Schools have contracted the services of Interquest Canines. They will be providing random, unannounced visits. Their comprehensive detection and deterrence program has one objective: to reduce the presence of drugs, alcohol, abused medication and weapons on campus and school grounds. They accomplish these objectives through the use of scent trained detection canines. Any vehicle on school property is subject to search. You can get more information at www.interquestk9.com/index.htm

Secured Entrance at NRHEG Secondary. When arriving at NRHEG Secondary Building/District Office after 8:28 a.m. all students, parents and visitors are expected to enter the building using the main entrance on the east side of the building, Door 1E. After stepping through the first set of doors, you will need to turn to the right and ring the buzzer just to the left of the door. The office staff will then identify you on their camera and buzz (unlock) the door which will allow you to enter the office. ALL VISITORS MUST STOP AND REGISTER IN THE OFFICE. YOU WILL RECEIVE A VISITOR'S PASS BEFORE PROCEEDING INTO THE BUILDING. This system will be in place from 8:28 a.m.-3:05 p.m. each school day.

School Hours
High school hours will be from 8:28 a.m. to 3:05 p.m.

Handbooks & Supply Lists can be found on our website.

Grant Berg, Secondary Principal: 507-417-2603
TBD, Administrative Assistant: 507-417-2601
Attendance Line: 507-417-2677
Nurse Line: 507-417-2606
Athletic Director: 507-417-2628

Important Fall Sports Information

FALL SPORTS START DATES
JH/Varsity Cross Country.....August 17th
Junior High Football.....August 24th
9-12 Volleyball.....August 17th
Junior High Volleyball.....August 24th
9-12 Football.....August 17th

Online Registration - We are in the process of implementing a new registration platform for 7-12 activities. An email will be sent to all families once the online registration is open. All athletes must register online. Payments can be made online or in the high school office.

Meet the Panthers at 6:30p.m. in the New Richland High School Gym. Parents will have the opportunity to catch a Varsity and JV football and volleyball practice/scrimmage as well as attend a required rules meeting for ALL athletes and their parents in grades 9-12 that plan to participate in athletics during the 2026-2027 school year. We will be covering the MSHSL Bylaws as well as district policy regarding student eligibility.

Reminder that all participants must have a current *Sports Qualifying Physical* on file at the school before you will be allowed to participate. Physicals are required every three years.

VARSITY HEAD COACHES
Volleyball.....Bethany Tennis
Cross Country.....Larry Nydegger
Football.....Devin Lockerby
Cheerleading.....Open

Senior Citizen Passes
All Senior citizens age 65 and older are allowed free admission. A pass is required for admittance. Your pass may be picked up at the District Office in New Richland or ordered at the Ellendale office. If you are not able to make it to one of the offices to obtain your pass please contact the District Office in New Richland at 465-3205.

NRHEG Athletic Schedules
can be obtained at the school website: nrheg.k12.mn.us/pages/NRHEG
Under "Links" click on Activities Calendar (please note, this is currently under construction)

The Gopher Conference also hosts a site with our activities calendar at: Under Construction

Drinking Water Testing--NRHEG School District conducts testing in accordance with The Reduction of Lead in Drinking Water Act and the requirements of Minnesota Statutes, section 121A.335. This is conducted every five years. Any person interested in discussing the district Lead in Drinking Water program or results, please contact the district office for access to the documentation.

Radon Testing--NRHEG School District conducts radon testing according to Minnesota Department of Health "Radon Testing Plan" (Minnesota Statute 123B.571). This is conducted every five years. Any person interested in discussing the district Radon Testing program or results, please contact the district office for access to the documentation.

If you have any questions, please contact Scott Schuller, Building & Grounds Director (507) 417-2653.

Drinking Water Testing--NRHEG School District conducts testing in accordance with The Reduction of Lead in Drinking Water Act and the requirements of Minnesota Statutes, section 121A.335. This is conducted every five years. The most recent testing was conducted in March 2024 and is scheduled for testing in 2029. Attached are the most recent results including any remediation that was completed. Any person interested in discussing the district Lead in Drinking Water program or results, please contact the district office for access to the documentation.

Lead in Water Report Elementary

Lead in Water Report Secondary

Important District Special Education Services Information

Minnesota Public Schools are required by law to provide a free, appropriate education to all children with handicaps birth through 22 years of age. As part of our district's commitment to this law, we encourage parents who have questions regarding special needs of their children to contact the Director of Special Education, Geoffery Wagner at 507-835-5046.

"Special Education" is instruction, specific to the child, at no cost to parents, to meet the unique needs of a child with a disability. **It is important to note:** Students with disabilities are general education students first. They receive special education support services in conjunction with the general education curriculum. Special education is an instructional service, not a place. Special education services must be reasonably calculated to allow the student to benefit from instruction. If the student is receiving benefit from the special education services, the student will progress at his/her own individual rate. A student who has a disability will always have the disability and would not be expected to progress in all areas at the same rate as his/her regular education peers.

To qualify for special education services a child must have a disability. The child must meet State eligibility criteria in one or more of the following areas:

*Speech or Language Impairment	*Physical Impairment	*Deaf/Hard of Hearing
*Visual Impairment	*Specific Learning Disability	*Emotional or Behavioral Disorder
*Deaf-Blindness	*Other Health Disability	*Autism Spectrum Disorders
*Developmental Delay (Birth to Age 7)	*Traumatic Brain Injury	*Severe Multiple Impairments
*Developmental Cognitive Disability: Mild Moderate		*Developmental Cognitive Disability: Severe-Profound

An evaluation is used to document the existence of a disability. Below average academic performance alone does not qualify a student for special education.

Each year, the district attempts to locate all children with handicaps through various methods such as articles in the local newspaper, radio spots, census takers and an annual Early Childhood screening program which screens children ages three (3) to five (5). The district also works very closely with the county social services, nursing agencies, local clinics, hospitals and through the Help Me Grow referral site.

Parents and students 18 years old or older have a right to inspect the student's records and can do so by making either a verbal or written request at the principal's or superintendent's office. A small fee may be charged if the parent desires copies. However, if the parent cannot pay this fee, the fee will not prevent the parent from receiving copies.

Public schools are considered government agencies and, in general, are subject to both State and Federal government record management laws. Record retention policies are decided by individual school boards that must adhere to these laws. Minnesota has a model School District General Retention Schedule, but this does not specify a set length of time for special education records. Destruction of records must be under a uniform policy adopted by the school board and approved by the Minnesota Records Disposition Panel. Parents must be notified prior to the destruction of the child's records. The special education confidential file (hard copy) is retained 5 years after which the student turns 22 years of age, including deceased students. At this time, the file will be destroyed. Parents or students who are age 18 or older will be informed of and receive the Notification of Special Education Records Retention and Destruction Policy upon entrance into special education and again at graduation/aging out of services.

Parents may file a complaint if they feel a disagreement has not been satisfactorily resolved. This complaint must be in writing and should be addressed to the principal of the building the student attends. If unresolved at this level, it should then be sent to the Superintendent. If still unresolved, it should be sent to the chairperson of the school board.

Section 504

Section 504 is a federal anti-discrimination law that protects the rights of individuals with disabilities in programs and activities that receive federal financial assistance from the U.S. Department of Education (29 USC §794,701 et seq.). Recipients of this federal financial assistance include public school districts, institutions of higher education, and other state and local education agencies. It requires a school district to provide a "free and appropriate education," (FAPE) to each qualified student with a disability who is in the recipient's jurisdiction, regardless of the nature or severity of the student's disability (34 C.F.R. § 104.33(a). Under Section 504, FAPE provides regular or special education and related aids and services that are designed to meet the needs of individuals with disabilities as adequately as the needs of individuals without disabilities are met. 34 C.F.R. § 104.33(b)(1)(i).

NRHEG is committed to fulfilling the obligations of the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act. The district has systems in place to identify, evaluate and provide educational services to students with disabilities in a manner that is as similar to their non-disabled peers as deemed appropriate.

Parents and students have a right to request an evaluation if they suspect the student has a disability which affects their educational progress. Parents and students have a right to be part of the educational team that determines the methods of evaluation, the interpretation of the evaluation results and the development of the Individual Education Program (IEP) or 504 Plan should one be required. Parents and students who have questions regarding the process can contact the Special Education Office at 507-835-5046.

Auxiliary aids and services are available for school sponsored events. Please contact the school 72 hours prior to the event to make a request. Examples of auxiliary aids or services may include: sign language interpreter, assistive listening kit, accessible meeting location, large print or Braille materials, etc.

Important Health Services Information

Please visit the NRHEG district website and look under "departments" and "health services" to find information regarding mandatory immunizations, medications at school, dietary accommodations, as well as information about common illnesses and guidelines for school attendance when ill. If you have questions about immunizations or want to discuss medical needs of your students, please call 507-417-2606. Have a great year!

Nurse Bergstrom & Nurse Petsinger

Important 2026-2027 School Year Environmental, Health & Safety Notices

NRHEG Schools continues to address environmental, health & safety (EHS) issues in a proactive manner. NRHEG Schools works with the Institute for Environmental Assessment (IEA) to provide safe and healthy environments for our community's youth and employees.

Asbestos--Each year, the Asbestos Hazard Emergency Response Act (AHERA) requires NRHEG Schools to provide an update on asbestos activities to building occupants.

Asbestos is a mineral fiber associated with increased levels of disease when inhaled. Properly maintained, asbestos containing materials pose no health hazard to building occupants. Asbestos is only dangerous when it is broken loose from building materials into fine, dust like fibers and inhaled.

Our asbestos management plan has been implemented as of July 9, 1989. Since that time, NRHEG Schools completes various activities to control asbestos hazards within the facilities. Periodic surveillances are conducted every six months to check for damage to the asbestos containing materials. Specially trained contractors repair damages identified. In addition to periodic surveillances, the buildings are re-inspected every three years. The purpose of the re-inspection is to have a federally certified asbestos inspector reassess the condition of the material. The most recent re-inspection was conducted April 2025, the next one is scheduled for Spring 2028.

The asbestos management plan is maintained in the district office and in the administrative offices of each building. It is available for review during school office hours.

Short-term workers (outside contractors, telephone repair workers, electricians, exterminators, etc.) shall be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance before commencing work to be given this information.

Indoor Air Quality--NRHEG Schools has developed a district-wide indoor air quality (IAQ) program designed to help ensure that the school provides a safe environment for students and staff. Each school in the district will be evaluated on an annual basis for potential indoor air quality problems.

The evaluation will include several steps. Ventilation systems will be examined to make sure they are functioning properly and providing adequate fresh air. Visual inspections will be conducted to determine the potential for mold growth. Cleaning practices will be reviewed to ensure that cleanliness is maintained and that the cleaning supplies used are safe yet effective. A portion of staff members will be interviewed annually regarding indoor air quality issues. If problems are found, they will be addressed appropriately.
Additional information about the NRHEG Schools IAQ program can be obtained by contacting Scott Schuller at (507) 417-2653.

Pest Control Materials--NRHEG Schools uses Ecolab, a licensed professional pest control service firm, for the prevention and control of rodents, insects, and other pests in and around the district's buildings. The program consists of:

1. Inspection and monitoring to determine whether pests are present and whether any treatment is needed.
2. Recommendations for maintenance and sanitation to help eliminate pests without the need for pest control measures.
3. Utilization of non-chemical measures such as traps, caulking, and screening.
4. Application of EPA-registered pest control materials when needed.

Pests can sting, bite, cause contamination, damage property, and spread disease; therefore, we must prevent and control them. The long-term health effects on children from the application of such pest control materials, or the class of materials to which they belong, may not be fully understood. All pest control materials are chosen and applied by a licensed, professional pest control service.

Along with pest control measures, NRHEG Schools applies herbicides and fertilizers to our grounds to control weeds and improve the quality of our grass.

Parents of students may request to receive prior notification of any application of a pest control material or herbicide. Any expenses associated with prior notification may be charged to the requesting parent.

Drinking Water Testing--NRHEG School District conducts testing in accordance with The Reduction of Lead in Drinking Water Act and the requirements of Minnesota Statutes, section 121A.335. This is conducted every five years. Any person interested in discussing the district Lead in Drinking Water program or results, please contact the district office or refer to the district website: https://www.nrheg.k12.mn.us/departments/school-year-environmental-health-safety-notices .

Radon Testing--NRHEG School District conducts radon testing according to Minnesota Department of Health "Radon Testing Plan" (Minnesota Statute 123B.571). This is conducted every five years. Any person interested in discussing the district Radon Testing program or results, please contact the district office for access to the documentation.
If you have any questions, please contact Scott Schuller (507) 417-2653.

Important Food Service Information

NRHEG Schools will continue providing FREE breakfast and lunch to all students during the 2026-2027 school year!

Please note that charges will still apply for second entrées, extra milk, and à la carte items.
Although though meals are free, it's still very important for families to complete an **Application for Educational Benefits**. These applications help determine eligibility for additional state and federal funding that supports our schools and may also qualify families for other benefits and reduced fees.

We are also proud to share that NRHEG has once again been awarded the **Minnesota Farm to School Full Tray Grant.** This grant allows us to partner with Minnesota farms to bring fresh, locally grown and raised foods into our school meal program, giving students the opportunity to enjoy nutritious, locally sourced ingredients throughout the school year.

Be sure to check out our interactive breakfast and lunch menu, available on the district website! The menus allow students and families to:

- View daily breakfast and lunch offerings
- Access nutritional information
- Filter menu items by allergens
- Make informed food choices

We look forward to serving your students another year of healthy, delicious meals!

FLEXIBLE SCHEDULING IS AVAILABLE.

Morning routes, afternoon routes, morning and afternoon routes, evening routes, spring routes, fall routes, winter routes, summer routes, van routes, bus routes...

We can make any schedule work!!

Regular routes typically average 2 hours from start to finish.
Evening routes can run as long as 6 hours.
A great way to supplement your income as much or as little as you want.

TRAINING IS AVAILABLE

Don't be frightened away!
We will provide training for new drivers and make sure you are comfortable and confident behind the wheel.
We believe in working together as a team and helping each other out in any way that we can.

Come talk to us to learn more about how we can help you become a school bus driver!

BENEFITS AVAILABLE

Competitive hourly pay
Free NRHEG Activity Pass
Flexible scheduling
Take your students to work, eliminate childcare expenses
Supplemental income
Giving back to our schools and our communities
Working with some pretty awesome people!

I'm a Bus Driver what's your Super power

NRHEG PANTHERS

Have questions? Need more information?
Talk to any bus driver or call Karla at 507.417.2605 or Mike at 507.417.2602

What is Community Education?

Community Education is an opportunity for local citizens, community schools, agencies and institutions to become active partners in addressing education and community concerns. Community Education embraces these beliefs: education is a lifelong process, everyone in the community shares a responsibility for the mission of educating all members of the community and citizens have a right and responsibility to link the needs of the resources to improve their community.

Services

LIFE LONG LEARNING

Youth & Adult Programming

Classes provide youth and adults with educational and recreational programs to gain new skills and knowledge while building strong connections and empowering the community

Early Childhood Services

- Early Childhood Family Education (ECFE)
- Panther Preschool
- Early Childhood Screening

Facilities Rental

Need gathering space? We have it!

Facility Scheduling & Requests

Requests for the use of school facilities are made through the Community Education Office. Please contact the office at 507-417-2667 and ask for a facility use form or go to the NRHEG website and find the form under Community Education. A minimum of three week notice for use of facilities is required.

BECOME AN INSTRUCTOR!!

Share your talents with Community Education.

Community Education classes are flexible and designed to meet the needs of our instructors and the community. Volunteer and salaried positions are available.

For more information call: 507-417-2667 email: mwhiteside@nrheg.k12.mn.us

YOUTH DEVELOPMENT SCHOLARSHIPS: Through the generous donation from the EF Johnson Foundation, we are able to offer $75.00 scholarships per child for summer & fall programming – visit our website for guidelines and download the application or get one from your school office or email Macy at mwhiteside@nrheg.k12.mn.us! *Income eligibility based off of the free/reduced lunch scale.*

BIRTHDAY PARTY GYM RENTAL

Is your child having a large birthday party this year and you don't want to host it at home? Then give us a call about renting our school gym & cafeteria! We help clean up the mess and provide your birthday party crew with basketballs, dodgeballs, footballs, a parachute, hoola-hoops, jump ropes, kick balls, etc. Gym Party Rental fee is $65 for 2 hours of gym time for free play/games and cafeteria time to eat. Call 507-417-2667 or email mwhiteside@nrheg.k12.mn.us to check on gym availability (Ellendale or New Richland) and to schedule your party!

IS YOUR FAMILY INCLUDED ON THE SCHOOL DISTRICT CENSUS?

Has there been a birth in your family? Have you recently moved into your neighborhood? Is there a new family in your neighborhood? ISD 2168 wants all families with young children to know about our programs and activities. Being on the school census also ensures that you will receive information regarding Early Childhood Family Education classes, Early Childhood Screening, and the Panther Preschool program information. In addition, funding for our Early Childhood Programs is based on the number of children on our census.

It is important that everyone be counted! To be added to the census, please call Karla at our school office, 417-2605 or find the form on our Community Education Website at www.nrheg.k12.mn.us under the community education tab.

help me CONNECT

A navigator connecting pregnant and parenting families with young children (birth-8 years old) with services in their local communities that empower families to be healthy and safe.

MINNESOTA Help Me Connect is an interagency collaboration between Minnesota's Departments of Education, Health and Human Services. For more information, visit https://helpmeconnect.web.health.state.mn.us/HelpMeConnect/

help me GROW

Are you concerned about your child's development? Help Me Grow is a group of service providers working together to help area families. They provide free early intervention referral services to help families find and coordinate resources for their children aged birth to 5 years old.

• Help Me. Grow provides. Resources for families to understand developmental milestones and learn if there are concerns. This helps families take the lead in seeking additional support or referring their child for a comprehensive, confidential screening or evaluation at no cost.

• Help Me Grow is an interagency initiative of the State of Minnesota Department of Education, Department of Health and Department of Human Services. We partner with all local service. agencies.

Early childhood screening is mandated by the State of Minnesota for all children entering Kindergarten. The best time to have your child screened is between the ages of 3 and 4.

Early Childhood SCREENING

Early Childhood Screening is FREE and the earlier the BETTER! When your child turns 3, please call 507-417-2667 to schedule a screening appointment.

UPCOMING SCREENING DATES: October 12-13-14, 2026 at the United Methodist Church in Ellendale

ADVENTURES IN PARENTING CLASS

What does a typical ECFE (Early Childhood Family Education) class include? Designed for children ages 2 ½ to 5 years old and their parents, grandparents, or caregivers, this ECFE class offers fun, learning, and connection for the whole family.

Parent-Child Time: Enjoy hands-on activities and play that support your child's social, emotional, physical, language, and cognitive development.
Parent Education: Meets with a licensed parent educator to discuss child development, school readiness, behavior guidance, and other topics based on family interests.
Children's Activity Time: While adults meet, children enjoy stories, crafts, music, snack, & play with an early childhood teacher, building friendships & important social skills.

WINTER 2026 SESSION. Classes will be held in the evening in our New Richland Preschool classroom. $15 per family for the entire session. Tuesday Sept. 22 is our first class and will be located in New Richland at the Secondary School in room #C115 from 5:45-7:15pm (enter southeast playground doors #2S). Classes will be held on Sept 22, 29, Oct. 13, 20, 27. Nov. 10, 17. Come learn, play, and grown together!

PANTHER PRESCHOOL

NRHEG Community Education and our School Readiness Programs are proud to invest in our youngest learners, helping children and families build a strong foundation for school success.

NRHEG Panther Preschool offers high-quality programming designed to prepare children for Kindergarten and beyond. Our program is open to all families and focuses on developing essential early learning skills in a supportive, engaging environment.

Three-year-old students attend classes two mornings per week at either New Richland Secondary School or Ellendale Elementary School. Four-year-old students also attend at either location and may choose from three-day morning or four-day afternoon weekly options.

- **Fun and engaging learning**
- **Creative activities every day**
- **Loving and qualified teachers**
- **Focus on character and confidence**

NRHEG CLAY TARGET TEAM

Grades: 6-12. Available in both fall and spring, this league is for students who have a valid gun safety certificate and have an interest in shooting sports. This is the fastest growing high school sport in MN! The State Class Championship represents the largest youth trap shoot in the nation and the MSHSL State Tournament is currently the only one of its kind in the nation.

Fall League: begins in mid-Sept and goes for 6 weeks with no state shoot at the end. It's a great way for students to introduce themselves to the sport before the Spring League. Registration for the Fall League begins in August so being on the mailing list before school starts is very important. Shoots are held at the Owatonna Gun Club. Registration covers 2 rounds of targets per week for the 6-wk season, the cost of league registration, a meal at our fun shoot, and a team shirt.

Spring League: involves weekly shoots one night per week starting the first week of April and going through the MSHSL State Tournament in late June. Shoots are held at the Owatonna Gun Club. Registration covers 2 rounds of targets per week for the 10-wk season, the cost of league registration, state shoot registration, a meal at our fun shoot, & a team shirt.

All students provide their own firearms, ammunition, and safety gear. Students from neighboring school districts without a team or who are home schooled are also welcome to join us!

For more information contact Dan Sorum at 507-417-2627 or email him at dsorum@nrheg.k12.mn.us. If you wish to be placed on the team mailing list email Mr. Sorum your contact information ahead of time.

ALL FEES need to be sent to Mr. Sorum (306 Ash Ave. South, New Richland, MN 56072) with checks made out to NRHEG Community Education with Clay Target in the memo. Registration is set in January so getting on the mailing list is important for up to date information.

$75 Youth Scholarships available! See page 10 for more information!

A DAY IN ROCHESTER!

SATURDAY OCT. 10 2026

1. ROCHESTER'S ANNUAL FALL CRAFT, VENDOR, & BOUTIQUE SHOW
2. A TOUR OF ASSISI HEIGHTS

Get ready for one of the BEST shopping events of the season!

With nearly 150 vendors, you'll find endless unique treasures to help you get perfectly prepped for fall and winter. Enjoy FREE admission to the show, exciting door prizes, great music, and a fun, high-energy atmosphere that keeps shoppers coming back year after year—this show never disappoints!

Afterward, we will travel to Assisi Heights to experience its beauty and serenity on a guided tour showcasing stunning Italian-inspired architecture, peaceful hilltop views, and a rich history connected to the Mayo Clinic. Guests will explore breathtaking interiors with marble columns, stained glass, and a remarkable chapel while enjoying a calm, reflective atmosphere. This unforgettable stop in Rochester offers the perfect blend of history, beauty, and inspiration for a relaxing day trip.

STAY ACTIVE & INDEPENDENT FOR LIFE

DO YOU WISH YOU COULD IMPROVE YOUR STRENGTH, CALANCE, AND FLEXIBILITY?

DO YOU WANT TO DECREASE YOUR RISK OF FALLING?

THIS FREE EXERCISE PROGRAM IS FOR YOU!

Stay Active & Independent for Life (SAIL) is an evidence-based exercise program proven to prevent falls and improve health and well-being.

Designed for older adults, SAIL classes include strength, balance, flexibility, and moderate aerobic training. Performing exercises that improve strength, balance, and fitness are the most important activity that adults can do to stay active and independent. Exercises can be performed seated or standing.

Community Education Registration Policies

REGISTRATION INFORMATION. Prompt registration is encouraged as space is limited and classes may fill quickly. Additional class times may be added if needed. Classes without enough participants will be cancelled. Classes are filled on a first-come, first-served basis. Waiting lists will be formed once classes are full. Confirmations of class registrations are NOT sent. Please assume you are registered unless otherwise notified. At this time phone and email registrations cannot be accepted. Please register via mail or in person. Include fee payment with registration form, as registrations will not be taken without payment

REGISTRATION FEES. Fees for ALL activities are due at time of registration. Please register by the deadline. Make checks payable to NRHEG Community Education. Please use a separate check for each activity & put the name of the class in the memo line.

TRANSPORTATION. Parents are responsible for their student's transportation unless noted otherwise. When picking up your student from class, please be prompt, as additional supervision is not provided.

CANCELLATIONS. In the event of school cancellation (late start, early out, or all day) classes/activities scheduled during this time will be cancelled. All programs that are cancelled or partially cancelled due to the weather will be attempted to be made up at the convenience of the instructor and facility schedules. No refunds will be given on classes that are cancelled or partially cancelled due to the weather.

SCHOLARSHIP INFORMATION. Families who qualify for the free/reduced price meal program may receive a reduction in class fees. Families may call NRHEG Community Ed to determine if they meet the criteria. South Country Health Alliance (SCHA) members may take up to $15 discount per class on most classes, limit of 5 discounted classes per year. If a class is less than $15, the member may take the class free of charge. Members must be on SCHA at the time of registration, and through the duration of the class(es). Members must register in person I the Community Ed office and show SCHA card at the time of registration.

REFUNDS. If a class is cancelled due to low enrollment, fees are refunded or credited to your account. No refunds will be given 72 hours prior to class start date. Refunds will not be made after the first class meeting. Bus trips are non-refundable after the registration deadline and some classes may be non-refundable due to registration requirements. In the event that a class is filled or cancelled, you will receive a cancellation notice by mail, email, or telephone – your registration fee will be refunded.

PHOTOGRAPHY DATA. Candid photos of participants in class or an activity may be used in NRHEG media and publications. You may decline authorization by contacting the Community Education Office at 417-2667
