

LA 2025-2026 YEAR in REVIEW

LAKEVIEW ATHLETIC CLUB

A letter from our Chair

Lakeview Athletic Club (LAC) is a parent led volunteer organization established in 2022 to build a stronger athletic program through organization, fundraising, and volunteer efforts. Since our inception we have invested more than \$430,000+ in support of Lakeview Athletics. A few highlights from the 2025 – 2026 school year include:

- Funded 68 projects
- Raised over \$171,000
- Further added to our reserve, now boasting a balance of \$114,000 to be used for larger projects or rainy-day needs
- Secured membership of 48+ LAC member families
- Engaged members, Lakeview families, the community, and friends through multiple social events
- Continued the Lion's Den at all home football games

Many people have asked me: **what can I do to help LAC?** I would offer three opportunities:

- Join LAC for the 2026 – 2027 school year.
- Support the September 21 golf tournament by sponsoring a team or a hole.
- Secure advertising space at our sports facilities

With Lion pride,

MATT DUBNIK
