NOTES FROM THE SCHOOL NURSE

Debbie Aman, Shiner ISD
School Nurse

Hello, and welcome to the 2026-2027 School Year. Please feel free to contact me with any questions/concerns you may have about your child's health needs.
In order for us to provide the best care for your child, please inform the Health Office of any changes in your child's health throughout the school year and please keep your contact info up-to-date with the school at all times.

On the Shiner ISD Website, Health Office page; it is updated with Health Forms you may need to fill out if your child has a certain medical condition or needs to take medicine at school.
The Health Office page is a great resource for other questions you may have regarding sick day guidelines, immunizations, health screenings, etc.

If your child is sick, please contact their teacher or secretary and let them know that your child will not be at school that day.

- Student must bring a note signed by the parent that describes the reason for the absence within 1 day of returning to school.
- A student absent for more than 4 consecutive days because of illness must bring a note from a doctor within 1 day of returning to school.
