WHITE FLEET DRIVERS-USERS CK(R3)

It shall be the practice of Keller ISD that all vehicles be operated in a safe, responsible, and accident-free manner. Such a statement is the cornerstone for all that is contained in the **Keller ISD White Fleet/Vehicle Use Manual**.

Keller ISD will promote the safe and accident-free operation of all vehicles used in the conduct of school business through proper driver management and safe-driving practices. The Keller ISD White Fleet/Vehicle Use Manual includes the following content:

Driver Qualifications, Section 4
Use of Commercial Vehicles, Section 5
Driver Responsibilities, Section 6
Motor Vehicle Record Review, Section 7
Driver Evaluation, administrative actions for violations and incidents, Section 8
Safety Rules, Section 10
Renting White Fleet Vehicles, Section 11
Using Non-District Owned Vehicles to Conduct School Business, Section 12
Use of Utility Vehicles, Section 13
Vehicle Maintenance, Section 14
Vehicle Security, Section 15
When Involved in a Vehicle Accident, Section 16
Safety Review Committee, Section 17

This manual is a minimum practice governing the safe operation of school vehicles. All Keller ISD staff that use white fleet vehicles at any time must adhere to the Keller ISD White Fleet/Vehicle Use Manual.
