Dear Parent/Guardian:

Opt-out Form for the release of Military Information

Section 9528 of the No Child Left Behind Act concerns Armed Forces Recruiter Access to Students and Student Information. According to the Every Student Succeeds Act (ESSA) Section 8025, Armed forces recruiters have access to students and student recruiting information. This law requires any school receiving assistance under the ESEA to provide students' names, addresses, and telephone listings to military recruiters when requested.

If you wish to have your student opt out of Section 9528, please indicate by signing on the line below and returning this form to HVHS. If the form is not returned signed, your student's information will be made available to all military recruiters who request it.

Please remove my student's name, _____, from the list made available to military recruiters under Section 9528/The ESEA Act of 1965.
