LONGFELLOW UPDATED CELL PHONE POLICY

Policy: All Longfellow students will keep their cell phones in their lockers. Cell phones found out of their lockers will be collected by staff and held until 3:30. Individual plans will be made for those students with recurring violations.

The research has shown:

- The mere presence of cell phones triggers our "automatic attention."
- Students feel compelled to check their phones within 90 seconds of seeing or feeling an "alert."
- Students are 4 times more likely to make mistakes if they pause their learning to look at their cell phones.
- Cell phones drain precious cognitive resources that are needed for learning.
- Leaving phones in pockets or face down on a desk does not do enough. There needs to be actual physical separation from the cell phone for it to not impede on learning.

Parent/Guardian contact:

- Any emergencies or important information should go through the main office (608-789-7670).
 - Office staff can and will deliver important messages to students.
- There is a working phone and teacher with a cell phone in every classroom in case of an emergency.

Update on Our Attendance Practices at Longfellow

Dear Longfellow Families,

We're proud to share that most of our students have outstanding attendance, and over the past few years, our overall attendance rate has continued to rise. Thank you for partnering with us to make school a place where students want to be!

We know that being in school regularly helps students grow academically, socially, and emotionally. Strong attendance builds strong learners—and strong relationships. That's why we're placing continued focus on supporting students in being here each day.

As part of our efforts, we want to keep you informed about how we're monitoring attendance in a caring and proactive way:

- If a student misses several days without a parent or guardian calling in, their Pod teacher will reach out via phone or email to check in and see how things are going.
- If absences continue beyond what seems typical, a school counselor will follow up with the student to provide additional support.
- If a pattern of nonattendance continues, our school social worker may also connect with the family to explore ways we can help.

Please remember to **call the school whenever your student will be absent for any reason**. Clear communication helps us ensure your student is safe and supported.

As always, our goal is to partner with families to help every student take full advantage of the learning, friendships, and opportunities available at Longfellow Middle School. We are here to help in any way we can—never hesitate to reach out.

Warmly,

Sarah Horton
Assistant Principal
Longfellow Middle School

NEEDS: Longfellow needs to have 2 District Wide Parenting (DWP) Reps for this year. You would attend monthly virtual meetings with representatives from the La Crosse School District and surrounding schools. You would then pass on any important information from the DWP meeting to the PTO.

*If you are interested in serving as Longfellow's representative please email:
LaCrosseLongfellowPTO@gmail.com*

Please keep collecting...

Box Tops! Box Tops have gone digital!
Please download the Box Tops For Education app, link up with Longfellow Middle School, and scan your receipts in. This makes for such an easy way to collect funds for our school!

Thank you Volunteers, Staff, and Families!

The Longfellow PTO would like to extend our sincere thank you to the families, staff and friends who were so supportive throughout the 2025-26 school year! We held our annual fall Pinnacle fundraiser, and through your hard work and support we raised over \$26,000! With those funds we were able to purchase PBIS incentives, Mobile Sports Storage, Health Classroom lighting, SLT Coffee Cart supplies, 8th grade Reading Incentives, Forward Testing Snacks, Just Recycle Containers, items for 5 Clubs, and SO MANY BUSES! We also purchased tons of books for classroom libraries and helped fund some exciting 8th grade traditions (like Mount Olympus and the recognition ceremony). We also showed our teachers some love during Teacher Appreciation Week and Conference Nights.

Thanks again for your generous support of Longfellow PTO!
