Financial Aid and Reenrollment Process for Returning Families:

1. Log in to your Clarity Account at [Clarity \(clarityapp.com\)](https://clarityapp.com)
2. **Submit your Financial Aid Application before Dec. 1**
3. Use the [Clarity Application Guide](#) for any questions
4. Receive your re-enrollment contract via email starting in February
5. **Sign your enrollment contract and make your deposit payment by March 1.**
(Deadline extensions due to extenuating family circumstances may be requested at enrollment@stsebs.org.)

Reminders on the Details:

Financial Aid applications should be submitted in Clarity by December 1.

Your application takes about thirty minutes. Clarity will receive your previous year (2025) tax Form 1040 from the IRS when you submit the transcript request (Form 4506) in Clarity.

You do not need your 2026 Form 1040 to complete the initial application.

We may request your 2026 Form 1040 at a later date, but it will not delay your ability to meet the December 1 application deadline.

All parents who received a W2 in 2026 will need to submit it.

Starting January 15, Clarity will prompt you to submit your 2026 W2 if you received one. If you have already completed the application, please log back in and submit your 2026 W2.

Families with Businesses, S Corps, or Partnerships have additional requirements.

Please submit your **2025 K1** and **Form 1065** (S Corp) or **Form 1120** (Partnership).

All Families with Businesses, S Corps, or Partnerships should submit a **12-month profit and loss statement for 2026**.

Your 2026 K1 and Form 1065 or Form 1120 may be requested at a later date.
