Chester Charter Scholars Academy

Scholarship ♦ Character ♦ Craftsmanship ♦ Purpose

Dear 7th and 8th Grade Families,

We hope you are enjoying your summer! As we prepare for the upcoming school year, we would like to share our middle school supply information.

To ensure that every student is organized and prepared from the first day of school, the school will provide each student with the following materials:

- Five color-coded folders
- Four spiral notebooks
- Loose-leaf paper
- A pencil pouch stocked with pencils and highlighters

The cost of these materials is $15.00, payable by Monday, August 31, 2026.

New this year: We ask that each student **bring a 1.5-inch binder** to organize class materials throughout the year. If you are unable to purchase a binder, the school can provide a black 1.5-inch binder for **an additional $5.00**.

Providing these core supplies allows all students to begin the year with the same organizational system, helping them stay prepared, responsible, and successful throughout the school year.

In addition to the materials provided by the school, please have your child bring the additional items listed below on Monday, August 31, 2026. (some of these items will be shared). Thank you for your partnership and support. We look forward to welcoming your child back for another successful school year!
