

Kindergarten Supply List 2026-27

Welcome to Kindergarten! Below is a list of supplies that will be helpful in starting off the school year. It's suggested that your child come to school (at the Kindergarten Open House or on the first day) with the following supplies:

1 standard size, Hard Plastic Pencil Box (No soft cases, locks or zippers) 	Box of Crayons (8ct or 16ct) 	Pencils Pre-Sharpened #2 (Pack of 12) 	Non-scented Playdough: 1 or 2 containers 
Dry Erase Markers (4-6 thin tip - black) 	Headphones (not wireless, please) 	Large, Non-scented Glue Sticks (at least 3) 	Back Pack  (full size – winter coat should be able to fit inside when zipped)
Reusable Water Bottle - With a straw is better for less spills!!  (Filled at home with water only)	Optional items that will be donated to the classroom for all students to use 	Washable Markers (8ct) Classic colors 	Standard Size Clipboard (with a flat clip – can be found at Dollar Tree) 

A Few Important Notes:

1. Please write your child's name on their pencil box, headphones, and playdough containers. You do not need to write their name on any other supplies.
2. All supplies should be out of their packaging (including headphones) and most supplies placed in the pencil case. You do not need to send in scissors - we have plenty at school.
3. If you choose to purchase extra supplies from the list for your child, please keep them at home. We will notify you when items are running low.
