

Dear Parents and Students:

It is hard to believe but the “Back to School Bus” letter has arrived! Another year of school is about to begin, and we are excited to see our students back in school! The **First day of school is August 12th**. Before we start another great school year, we need to communicate a few important items. First of all, 7-12 students must check out their Chromebook before the first day of school. In order to check out student Chromebook parents & students must:

1. Watch the computer checkout slide show video. (both parents & students)
2. Read and sign the policy and online agreement form. (both parents & students)
3. Pay \$35 usage fee. (must pay usage fee at the time of Chromebook checkout)

We have scheduled multiple opportunities before school starts for parents & students to check out your child’s Chromebook. **New this year: All students must use a school issued device. Students will not be allowed to register their own device.** The expectation is for all 7-12 students to have their computers in hand before the first day of school on Aug. 12th. Computer checkout orientation dates are:

August 3rd- 7th grade only-6:15 (we will be checking out Chromebooks during 7th Orientation)

August 4th- 9th grade only-6:15 (we will be checking out Chromebooks during 9th Orientation)

Aug. 5th –Aug 11th - An email/text message will be sent out to all 8th, 10th, 11th and 12th grade parents/students. The message will include the 1:1 Orientation Video, 1:1 Tech Policy and 1:1 Online Agreement Form. Parents/Students must watch the video and submit the online agreement form. Once this is complete students or parents may come to the school office any time between 7:30-3:00, pay the \$35 dollar usage fee, and pick up your student’s Chromebook.

If you have questions, you may contact the school office at 402-564-8518. Students may access their schedules using their PowerSchool account.

Estimados padres y alumnos:

¡Aunque parezca mentira, ya llegó la carta de bienvenida al inicio del curso escolar! Un nuevo año escolar está a punto de comenzar, ¡y nos emociona ver a nuestros alumnos de vuelta en la escuela! **El primer día de clases es el 12 de agosto.** Antes de empezar otro gran año escolar, queremos comunicarles algunos puntos importantes. En primer lugar, los alumnos de 7.º a 12.º grado deben recoger su Chromebook antes del primer día de clases. Para recoger la Chromebook de su hijo/a, tanto padres como alumnos deben:

Ver el video explicativo sobre el préstamo de computadoras (padres y alumnos). Leer y firmar la política y el formulario de acuerdo en línea (padres y alumnos). Pagar una cuota de uso de \$35 (debe pagarse al momento de recoger la Chromebook).

Hemos programado varias oportunidades antes del inicio de clases para que padres y alumnos recojan la Chromebook de su hijo/a. Novedad de este año: Todos los alumnos deben usar un dispositivo proporcionado por la escuela. No se permitirá que los alumnos registren sus propios dispositivos. Se espera que todos los estudiantes de 7.º a 12.º grado tengan sus computadoras antes del primer día de clases, el 12 de agosto. Las fechas de orientación para la entrega de computadoras son:

3 de agosto: solo para 7.º grado, 6:15 p. m. (entregaremos Chromebooks durante la orientación de 7.º grado).

4 de agosto: solo para 9.º grado, 6:15 p. m. (entregaremos Chromebooks durante la orientación de 9.º grado).

Del 5 al 11 de agosto: se enviará un correo electrónico o mensaje de texto a todos los padres y estudiantes de 8.º, 10.º, 11.º y 12.º grado. El mensaje incluirá el video de orientación del programa 1:1, la política tecnológica del programa 1:1 y el formulario de acuerdo en línea del programa 1:1. Los padres y estudiantes deben ver el video y enviar el formulario de acuerdo en línea. Una vez completado este proceso, los estudiantes o sus padres pueden pasar por la oficina de la escuela entre las 7:30 y las 15:00, pagar la cuota de uso de \$35 y recoger la Chromebook de su hijo/a.

Si tienen alguna pregunta, pueden comunicarse con la oficina de la escuela al 402-564-8518. Los estudiantes pueden acceder a sus horarios a través de su cuenta de PowerSchool.

New for the 2026-27 School Year

Dear Lakeview Parents and Guardians,

As we prepare to welcome students back for another exciting school year, I wanted to share several updates that will take effect for the 2026-27 school year. While many of these changes are designed to improve student learning and the overall school environment, some will directly impact students and families. By sharing them now, we hope everyone has time to become familiar with the changes and begin the school year well prepared.

1:1 Technology Program

Beginning with the 2026-27 school year, high school students will no longer be permitted to bring personal laptops or devices to school for classroom use. Instead, all students will be issued a Lakeview Chromebook for educational purposes.

Providing every student with a school-issued device creates a more consistent learning environment, ensures compatibility with classroom technology, and allows our technology department to better support student learning.

Cell Phone Policy

One of the most significant changes this year involves student cell phone use.

In previous years, students were permitted to use their cell phones during passing periods and lunch, while storing them in classroom phone sleeves during instructional time. Beginning this school year, students will not be permitted to use their cell phones from the first bell of the day until the final dismissal bell.

This change is intended to reduce distractions, improve student engagement, and create a more focused learning environment throughout the school day.

The complete policy can be found in the **Student Handbook (pages 47-48)** [LINK to the Student Handbook](#). We encourage all families to review this policy before school begins, as it may affect how you communicate with your student during the day.

When parents need to communicate with their student during school hours, we encourage using the student's school email account. If there is an urgent need, please continue to contact the school office.

Student Dress Code

There is one change to our student dress code for the upcoming school year.

Students will no longer be permitted to wear biker shorts during the school day. We recognize that biker shorts are part of the uniform for some athletic programs; however, they will no longer be allowed during the regular school hours.

This change was made because determining what were appropriate biker shorts has become increasingly difficult.

Administrative Restructuring

We have also made several administrative adjustments for the upcoming school year.

My role as Principal of Lakeview Jr.-Sr. High School remains unchanged, and I will continue serving as principal for both the junior high and high school.

Mr. Krueger will continue in his role as Activities Director while also assuming the responsibilities of District Transportation Director.

Mr. Frenzen will transition from his previous role as Junior High Dean of Students to become Assistant Principal for both the junior high and high school. As part of this transition, the Junior High Dean position has been eliminated.

These changes are intended to better align administrative responsibilities while continuing to provide strong support for students and staff.

New Interactive Digital Boards

Thanks to the generosity of the Lakeview Education Foundation, many classrooms at Lakeview Jr.-Sr. High School will be equipped with new interactive digital boards this year.

Imagine an iPad expanded to the size of a 65-inch display. These interactive boards provide teachers with powerful instructional tools that increase student engagement, enhance classroom presentations, and create more interactive learning experiences.

We are incredibly grateful to the Lakeview Education Foundation for making this investment in our students and teachers.

New Courses

We are also excited to offer several new courses during the 2026-27 school year:

- Junior High Drone Technology
- Junior High Human Performance & Sports Nutrition
- Adaptive Physical Education
- Advanced Sports
- Junior High Math Connections
- Junior High English Connections
- Junior High Science Connections

These new offerings provide students with additional opportunities to develop academic skills, explore career interests, and participate in engaging, hands-on learning experiences.

We are looking forward to another outstanding school year and appreciate your continued partnership and support. Thank you for taking the time to review these updates before school begins. Together, we can help ensure a smooth and successful start to the 2026-27 school year.

We look forward to seeing everyone soon!
