SCHOOL MISSION: At Oakmont Elementary School, we believe every child can learn and succeed in a safe, supportive, and engaging environment. We work in partnership with families to help students develop the academic skills, character, and confidence they need to reach their full potential and become responsible members of their community.

DRESS CODE: Students are expected to follow the dress code and behavior expectations outlined in the Columbus City Schools Guide to Student Success

SPECIALTY LEARNING OPPORTUNITIES/CURRICULUM: Oakmont students participate in a comprehensive educational program designed to support the whole child. Students receive instruction through research-based programs such as Fundations and i-Ready Math to strengthen foundational literacy and math skills.

We are committed to meeting the needs of all learners through special education services, English Learner support, gifted programming, and targeted academic interventions. Our staff works to ensure that every student receives the support and challenge needed to achieve success.

STUDENT ACTIVITIES/SPORTS: Students have opportunities to participate in a variety of activities that enhance learning and build community. Throughout the year, students engage in events such as Red Ribbon Week, Right to Read Week, the Science Fair, Black History Month celebrations, literacy and math family nights, field trips, and seasonal school-wide events.

Oakmont also provides enrichment opportunities that encourage creativity, leadership, and collaboration. Depending on student interest and availability, students may participate in activities such as Student Council, Chess Club, Art Club, Girls on the Run, Talent Shows, Artist-in-Schools programs, and other special events throughout the school year.

FAMILY SUPPORT AND RESOURCES: Families play an important role in the success of our students. Oakmont values strong partnerships between home and school and encourages families to stay actively involved in their child's education.

Parents and caregivers can connect with the school through curriculum nights, open house events, family engagement activities, school celebrations, and volunteer opportunities.

SCHOOL LEADERSHIP:
Dr. Kristy E. Leigh
