

DUNELAND SCHOOL CORPORATION

High School 9-12

Items for Student Success

The following list is provided to ensure that your child is prepared to have a successful school year.

What items are recommended?

We recognize that many high school students have developed their own preferences for organizing their materials and for studying. The following traditional items are recommended based on your student's preferences: backpack, folders, binders, pens/pencils, highlighters, notebooks, planner.

What about other items?

If specific items are required for a class, the school will provide those supplies to the students. The school will also offer some of the above-mentioned recommended materials if students are interested.

Students may need headphones/earbuds that are compatible for their school-issued device for assessments.

What items are needed for P.E.?

- P.E. uniform: Your student will need appropriate clothing and footwear for P.E. that consists of a loose athletic short, school appropriate full-length t-shirt, athletic shoes, and socks.
- Deodorant (no sprays)

What about donations?

We are always grateful for and happy to accept voluntary donations of tissues. Thank you for your support!

Need assistance getting items for school?

A number of community groups and organizations make donations to the school to support our families. Contact your school's office, and our staff will be happy to help you.
