Long Range Planning Subcommittee Minutes

9:00 AM on Tuesday, July 28, 2026

Central Office

Present: Jeffrey Sousa, Superintendent, Kristin Young, Jon Puz, Tim Russell

1. Discuss strategic and executive-level communication approaches, particularly related to budget framing, long-term planning, and presentation of district priorities and tradeoffs
 - a. A discussion regarding improved strategic communication related to budget framing, long-term planning, and presentation of district priorities took place. There will be a focus on developing three Board of Education goals that directly connect to the vision of the learner and the budget. Additionally, challenges of ensuring BOE information is reaching and being read by the full community discussed. Potential solution would be to add information at the end of the agenda and/or links within the BOE minutes.

Action:

- Present to the full BOE and continue development/revision of Board of Education goals at yearly retreat (Jan.)

2. Adjournment 10:00am
