

CMS Art/Anime Club

Thank you for your interest in joining the CMS Art/Anime Club at Centennial Middle School. The purpose of this club is to provide a space where students can explore art that interests them.

In the Art club, students will practice creating art through different media, materials, and concepts: such as painting, using clay, beading, and more. Students that are interested in specifically joining the Anime club will focus on reading, discussing, and creating anime while exploring other aspects of Japanese culture related to anime like manga, and cosplay. Plus, we will offer activities like drawing/creating anime, trivia, and possibly learning Japanese language lessons.

Note: Transportation will **NOT** be provided.
