September 8, 2026

Dear Parent/Guardian,

Please be advised that in the event of a student accident, it is the responsibility of the parent or guardian to cover any expenses related to accidental injury—either through personal insurance or direct payment to healthcare providers.

To assist families, the school district would like to make you aware of a low-cost, school-approved student accident insurance policy that is available for purchase.

Please note that the school district **does not provide insurance coverage for students**. If you do not currently have insurance or the financial means to cover potential injury-related costs, we encourage you to review the Student Accident Insurance information available on our district website:

<http://www.wallenpaupack.org>

If you choose to enroll in this insurance program, please complete the application and follow the instructions provided on the final page.

We hope this program provides valuable support for you and your family.

Sincerely,

KERRIANN HORAN
Business Administrator
