Lunch Visitors Welcome	Aug. 24	K-5th Lunch	CCE Cafeteria	We respectfully request that parents/guests wait to join students during lunch until Monday, August 24. The first 7 school days without visitors provides staff and students time to focus on the cafeteria routines, patterns, seating, purchasing, disposal and clean up expectations. This practice has been wildly successful for students in eliminating mid-day separation experiences AND allowing all students to have peer-to-peer conversations as new relationships are being formed.
Bike Bus Officially Begins	Sept. 4	7:20 AM	TBA	The <i>Bike Bus</i> is unique to CCE. Students, staff and parents ride bicycles and scooters from specific meet up spots in the neighborhood with Officer Mike Cowden accompanying the Bike Bus with his police car! Bike Bus days emphasize the inclusion of every single CCE family (including those living outside the CCE attendance zone).
