

South Cache Middle School
Home of the Spartans

August 2026

Welcome to South Cache! We are excited to have your 7th grader joining us this school year. Just a reminder that **ALL** incoming 7th graders need to be immunized or have an up to date immunization exemption **prior** to the first day of school.

These are the immunizations that are required to start 7th grade:

1 dose of Tdap (Only Tdap vaccine given at age 10 years or older is acceptable for school entry)

2 doses of Varicella (chickenpox)

1 dose of Meningococcal Conjugate (Only Meningococcal Conjugate vaccine given at age 10 years or older is acceptable for school entry)

3 doses of Hepatitis B

This is in addition to the immunizations that should have already been completed:

2 doses of Measles, Mumps, Rubella (MMR)

4 doses of Polio

2 doses of Hepatitis A

5 doses of DTaP/DT

If you choose to do an immunization exemption, and need to update your child's exemption with the 7th grade immunizations, please visit:

<https://immunize.utah.gov/immunization-education-module/>

You will need to complete a 15 minute learning module, then email the certificate to brittnie.sautter@ccsdut.org or bring it to the school.

If you have any questions regarding immunizations, exemptions or need to see if your child is fully immunized for school entry, please contact Brittnie Sautter at 435-245-6433 or

brittnie.sautter@ccsdut.org
