

Carolina International School Supply Drive

Organized by the Carolina International Parent-Teacher-Student Organization

We appreciate your consideration in helping our wonderful teachers and CIS families for the 2026-2027 school year! Please leave school supplies in this box to be collected periodically by one of our PTSO Board Members. This supply drive will run throughout the months of August & September. If you wish to make a monetary donation instead, please scan our Venmo or CashApp QR code, leaving "supply drive" as the note- All donated funds will be used towards teacher wish lists and supporting our CIS families in other ways. Thank you again!!
