Mt. Tabor Middle School

School Supply List 2026-2027

For the 2026-2027 school year, we have a list of individual student-provided supplies as well a contribution of $25, which will go towards the Community Supply Fund.

Individual supplies are those that families are directly responsible for purchasing for their child for their own personal use. We have worked to keep that list as small as possible to manage costs. If you need suggestions of supplies, see the attached list from Amazon with examples of most of these supplies.

The Community Supply fund will allow us to purchase community supplies, ensuring that all students have access to the remaining supplies and tools and reducing the amount of supplies that each family has to purchase. This includes supplies for elective classes, PPE for science labs, and so many other consumables like copy paper, tissues, and markers. This Community Supply Fund is in lieu of asking for direct supply donations or class fees. Families can pay online at pps.schoolpay.com or return payment to their student's Advisory teacher or the main office. Without these funds, many of our purchases last year when budgets were frozen would not have been possible.

If your family needs help getting school supplies for your student, please email your school counselor Michael Cady Russell (mcadyrussell@pps.net) or Kelly Goforth (kegofoth@pps.net).

Individual Student Supply List (provided by individual families)

- Water bottle
- 3-ring binder (a zippered binder is best) with:
  - index dividers (for 6 classes)
  - pencil case (that is built in or can be clipped into the rings)
  - lined notebook paper
- Highlighters
- Pencils/pens
- 5 college or wide-ruled composition books
- 1 graphing composition book
- Calculator:
  6th grade : Basic calculator (with square root function)
  7th grade: Scientific calculator and small pack of AAA batteries

Community Supply Fund (supported by financial contribution from families)

So that we can better address student needs and provide equitable access to all students, the school will provide the following supplies from the Community Supply Fund:

- Colored pencils & Markers
- Scissors
- Rulers
- Ery erase markers
- Copy paper
- Facial Tissue
- Glue & Tape
- Personal Protective equipment for science classes
- Elective class supplies
