Early Childhood Programs CORE COMPONENTS

Parents are a child's first and most important teacher

Social emotional development is the foundation for strength and growth

Connecting children to nature through outdoor learning is essential

Engagement with community partnerships and events is a valuable resource

MN Early Childhood Indicators of Progress is an important guiding tool

ONE91 EARLY CHILDHOOD PROGRAMS

At the heart of every thriving child is a strong family and a supportive community. We offer a continuum of high-quality early childhood education and family programs designed to nurture your child's growth and development from the very beginning. One91 Early Childhood is rooted in relationships, driven by excellence and focused on your child's future.

Kaitlin Cantolla

Supervisor of Early Learning

Welcome to another exciting season of learning, growth, and connection!

We are honored to partner with you during these important early years and look forward to supporting

your child's development through engaging, play-based experiences that nurture curiosity, confidence, and a love of learning.

Our Early Childhood programs, including ECCE, Preschool, Voluntary Prekindergarten (VPK), and our licensed child care center, are grounded in play-based learning and aligned with Minnesota's Early Childhood Indicators of Progress. Through exploration, creativity, and meaningful relationships, children develop the skills they need for success in school and beyond.

This year, we are excited to expand opportunities that support multilingual learners and strengthen our focus on social and emotional development. These efforts help create welcoming, inclusive environments where every child and family feels valued, connected, and supported.

Thank you for allowing us to be part of your family's early learning journey. We look forward to learning, growing, and celebrating with you this fall.

Danny O'Brien

Early Learning Support Specialist

Hello families!!

We are so excited to partner with and support all ISD 191 families through our early learning programs.

As our programs continue to grow and change, we look forward to meeting the needs of your family wherever you're at. Whether this happens through ECCE, Preschool, Voluntary Prekindergarten, child care, or early childhood screening, we look forward to getting to know you, building community, and sharing resources.

Thank you for choosing ISD 191 for your family's educational journey!

ECCE Early Childhood Family Education

All classes are held at Diamondhead Education Center unless otherwise started.

Our ECCE classes offer warm, welcoming environments where the entire family can learn, play, and connect. During activity time, parents and children explore engaging play-and-learn stations designed to spark curiosity, creativity, and discovery. Families enjoy quality time together while building relationships with new friends and reconnecting with familiar faces.

Parent discussion opportunities provide support, encouragement, and practical information relevant to raising children in today's world.

Two-hour classes include parent-child activity time followed by a parent discussion group led by a licensed Family Educator in a separate space.

Ninety-minute classes keep families together for the entire session, with parent discussion woven more informally into the class experience.

Tuition is based on a sliding fee scale which is determined by total family income.

Registration is ongoing beginning July 13, 2026

Fall Quarter September 21- December 23

No class Oct 12-16, Nov 3, 26, 27

See page 14 for registration and tuition information.

2026-27 ECFE

Infant & Toddlers classes are non-separating.

Parent discussion takes place in the children's classroom.

Parent Support Visits

ISD 191 offers free ECFE visits with a licensed parent educator for families with children from birth to eight years old. A visit involves meeting with a professional who is there to listen and support you on your parenting journey.

Here's what you can expect:

- ◆ **Location:** The visit can happen at your home, in the community, virtually or over the phone
- ◆ **Duration:** Each visit usually lasts about an hour and happens every couple of weeks.
- ◆ **Purpose:** The parent educator will offer guidance, answer your questions and connect you with community resources.
- ◆ **Focus:** The goal is to support your unique family values and needs during your child's early years.

Making A Difference:

Parent Advisory Council Birth-5 years

This special offering combines meaningful parent involvement with fun, play-based learning for children. While children enjoy a guided playgroup with licensed early childhood staff, parents and caregivers meet as part of the Parent Advisory Council (PAC) to help shape the future of ECFE programming.

During this class:

- ◆ Children participate in age-appropriate activities that support social, emotional, and cognitive development through play, music, and exploration.
- ◆ Parents/caregivers engage in discussion and planning sessions focused on ECFE events, program feedback, community outreach, and parent leadership.

Being part of the Parent Advisory Council is a great way to:

- ◆ Build connections with other families
- ◆ Advocate for your child and community
- ◆ Gain leadership experience in a supportive setting
- ◆ Help create enriching experiences for all ECFE families

Ready to Grow 6 weeks-31 months

Ready to Grow embraces the philosophy of primary caregiving that allows for nurturing and attachment to and from your child's primary caregiver.

The role of the primary caregiver is to provide the essential link of communication between you and the program, empower parents as the child's first and most important teacher and caregiver, provide positive learning experiences for the children in their care, nurture each individual child, and observe, monitor and evaluate to ensure each family's experience at Ready to Grow is a positive one.

Ready to Learn 31 months-5 years

Ready to Learn focuses on individualized care and small group activities for preschool-age children. Our comprehensive curriculum is designed to nurture the development of the child.

The curriculum focuses on school readiness in the areas of language and literacy, science and math, creative art and music, dramatic play and movement, and health and nutrition. We believe play is a central component to the curriculum. Early childhood research shows children learn best when engaged in hands-on learning experiences which occur during play. Your child will be valued, encouraged, held and treated with unconditional, positive regard.

We've earned
the highest rating...
4 Stars!

Ready to Grow/Ready to Learn is proud to have earned our Parent Aware Four-Star Rating!

This Parent Aware Rating means we're using school readiness best practices to make sure the kids we care for are prepared for kindergarten.

New Natural Playground

Our programs now feature a brand-new natural playground, completed just a year ago!

This fenced-in play area includes multiple surfaces for year-round exploration, with plenty of shade and plowable spaces for winter fun.

Features include dinosaur skeletons for imaginative play, sand and water tables for sensory exploration, a sensory swing, a mini parking lot for interactive learning, and climbing tools with slides to strengthen physical and motor development.

The natural playground is designed to spark curiosity and wonder, allowing children to explore, play, and grow in an environment that fosters creativity and development.

What is early childhood screening?

Screening is an early look at a child's development and begins as early as age three. This can give parents peace of mind that their child is developing normally, and if needed, allows health and developmental concerns to be addressed at least one to two years before a child enters kindergarten.

The state of Minnesota requires health and developmental screening for every child before they start kindergarten. Burnsville-Eagan-Savage District 191 offers this service at no cost.

Ready! for Kindergarten

For Parents and Guardians of Children Birth to Pre-Kindergarten

The READY! for Kindergarten® School Readiness program empowers parents and caregivers to succeed in their role as children's first and most influential teachers. READY! provides tools and activities to optimize the natural curiosity of children and to nurture learning and development.

During a child's early years, parents and caregivers play a key role in shaping language, literacy, math, and social-emotional skills. Active engagement of families and caregivers is the most effective way to make those critical developmental years count.

READY! for Kindergarten consists of Age Level Targets®, Training and Tools to Play With a Purpose, making learning at home fun and effective.

Parents attend three 90-minute in-person or online workshops for each of the first five years of their child's life. School districts and organizations offer READY! to help close the achievement gap by partnering with parents so more children succeed in school and in life.

Training

READY! gives parents and caregivers Training, information and activities to help their child develop skills known to be highly predictive of school success. READY! activities fit naturally into everyday settings and routines. READY! is a lifestyle: read with your child for 20 minutes and play with a purpose with a READY! activity for 10 minutes every day.

Targets

The READY! curriculum is based on 26 important child development and learning milestones. Each indicator, called a Target, is explored using playful activities appropriate to the age of the child. The Targets cover three domains: language and literacy, math and reasoning and social and emotional development.

Tools

The Tools include books, toys, games, puzzles, music, and more. The Tools are kept by participants, giving families and caregivers the opportunity to reduce potential barriers for success. READY! also emphasizes how to Play With a Purpose using everyday items and activities for learning.

Classes and materials are split into 3 part classes - Fall, Winter and Spring.

Each session shares with families what you can do with your child to build upon their development in that age group. Age groups are split into 0-1, 1-2, 2-3, 3-4 and 4-5, and offered at each class in both virtual and in person.

At this time, class is designed to be just for parents. Infants are welcome to attend.

ONE91 Preschool Sparking the Love of Learning

In preschool, Pathways learning is designed to spark the love of learning.

Our students widen their worlds and build foundational skills to continue their learning journey.

Children learn and grow best through play experiences. We embed skill-building into play to promote healthy development of the whole child throughout the classroom. For example, math skills show up at the snack table, the block corner and more.

Flexible Programs for Every Family One91 Preschool provides flexible options for families based on schedule, location and cost. No matter which option, One91 Preschool is ready to spark curiosity, creativity, engagement, knowledge, and a love of learning in each child. Fees are based on income unless otherwise listed. Scholarships may be available for qualifying District 191 residents. **For more information contact, preschool@isd191.org, or 952-707-4110.**

NEW KinderSpark Must be 5 years of age by Sept 1, 2026

KinderSpark is a new preschool program designed for young 5 year olds with targeted instructional support for students who are not yet ready for the demands of kindergarten. KinderSpark is grounded in developmentally appropriate practice and uses both the Early Childhood Indicators of Progress (ECIPs) and Kindergarten grade level guarantees to build a curriculum that will help your child develop the necessary skills for a successful kindergarten experience. KinderSpark is a 10-month, full-day (9 am-3:30 pm), fee-based program. There is a sliding fee scale based on family income and family size. Wraparound care, before and after school, is available for an additional fee.

Voluntary PreKindergarten Must be 4 years of age by Sept 1, 2026 and not yet kindergarten eligible

At District 191, our Voluntary PreKindergarten (VPK) program helps your child build a love for learning in a caring, inclusive environment. Designed for 4-year-olds, our VPK classrooms spark curiosity, promote early literacy, and support social-emotional growth – setting the foundation for a successful kindergarten experience. Morning and afternoon sessions available. Space is limited. Transportation and meal services are available at our neighboring schools. Diamondhead Education Center offers full day VPK from 9 am-3:30 pm with wrap around care options.

5 days per week, M-F. Independent toileting skills required (no pull ups). Fee based on eligibility and sliding fee scale (refer to application).

Preschool Must be 3 years of age by Sept 1, 2026

District 191 offers a nurturing, play-based preschool program designed to spark curiosity and build school readiness for children ages 3 to 5. With caring teachers, hands-on-learning, and a focus on social-emotional development, our preschools help young learners thrive – academically, socially, and emotionally. Whether your child is just beginning their preschool journey or getting ready for kindergarten, District 191 is here to support every step. No transportation or meals provided. Independent toileting skills required (no pull ups). Fee based; scholarships available.

Photos in Classes

One91 Early Childhood Programs periodically take pictures of participants in our classes and during other sponsored activities. These photos may be used in community education and district publications or other promotional materials.

By registering for a class with us, you are giving permission for use of your photos. If you do not wish to have your picture taken or published, you must provide us written notice in advance.

Email Notifications

Include your email address on your registration. We send a confirmation email and messages regarding changes to class via email. We will never give your information to any other agency it is strictly for use by District 191.

Weather Cancellations

Alerts will be posted on the District and Community Education websites. Information will be relayed through local television and radio stations along with Facebook and Twitter accounts.

Immunizations

Minnesota law requires children enrolled in early education programs to be immunized against certain diseases or file a legal medical or conscientious exemption. Immunizations must be on file PRIOR to the start date of class, current as appropriate to the child's age or in progress, in order to attend One91 Early Childhood Programs.

District 191 requires immunization records for Early Childhood Family Education (ECFE) classes that run six weeks or more, One91 Preschool, and Kindergarten classes.

Submit a current copy of your child's immunization records to the District 191 Early Childhood Nurse, Fax to 952-707-4166 or complete the Early Childhood Immunization Form on our website and mail or drop off at the Community Education office at Diamondhead Education Center.

Class Cancellations

If Community Education cancels class due to low enrollment, you will receive a full refund. If you cancel out of a class more than 5 business days before the class start date, you will receive a refund less a \$10 processing fee. If you cancel less than 5 business days before the start of a class or activity there will be no refund. No refunds for online classes once the meeting information has been sent.

If you find that a class is not the right fit for you or your child, contact us after the first week of class for assistance in finding a better fit. If a class is not available, you will receive a credit on your community education account for use on a future class.

Four Seasons of Learning...

Our Outdoor Classroom Connects Children with The Natural World Year Round

The outdoor classroom is more than just a play space. Its purpose is to provide children with more connection and experiences with the natural world. Research shows many benefits to learning with nature, including stress reduction, higher concentration skills, improved fitness, increased social interaction, creativity and enhanced overall development.
