

DEER VALLEY
Unified School District

NEW TO DVUSD SCHOOLS *in 26-27!*

Introducing Verkada Guest Management

At Deer Valley Unified School District, the safety of our students and staff is always our top priority. This year, we are introducing Verkada Guest Management at all DVUSD schools as part of our ongoing commitment to a secure and welcoming environment.

This new system makes the visitor check-in process faster, easier, and more secure while ensuring we know who is in our buildings at all times.

WHY WE'RE MAKING THIS CHANGE

Verkada Guest Management helps us strengthen campus safety by:

- Verifying visitors
- Screening against sex offender registry in compliance with A.R.S. 13-3825 & 13-3821
- Keeping accurate records
- Ensuring accountability

Together, we can create the safest possible place for our students to learn.

WHAT PARENTS & VISITORS CAN EXPECT:

You will be asked to present a valid photo ID.

Your visit will be logged electronically.

You will receive a visitor badge to wear while on campus.

The process is quick, easy, and helps us keep our schools safe.

Thank you for your patience and partnership!

**Thank you for helping us keep
DVUSD schools safe!**

For questions, please contact
your school's office.
