Transportation Options for Otis Elementary School

A guide for families

July 2026

Goals of the Transportation Guide

- Provide options for **safe, reliable access** to and from school
- Reduce **traffic congestion** around Otis Dr. and Grand St.
- Support **sustainable, low-emission** travel options
- Create **clear, consistent procedures** for drop-off and pick-up

Caveat

- These are our initial plans for the opening weeks of school.
- ***Plans may need to be adjusted as transportation patterns emerge***

Overview of Options

- Biking
- Park and Walk
- Driving
- Public transportation

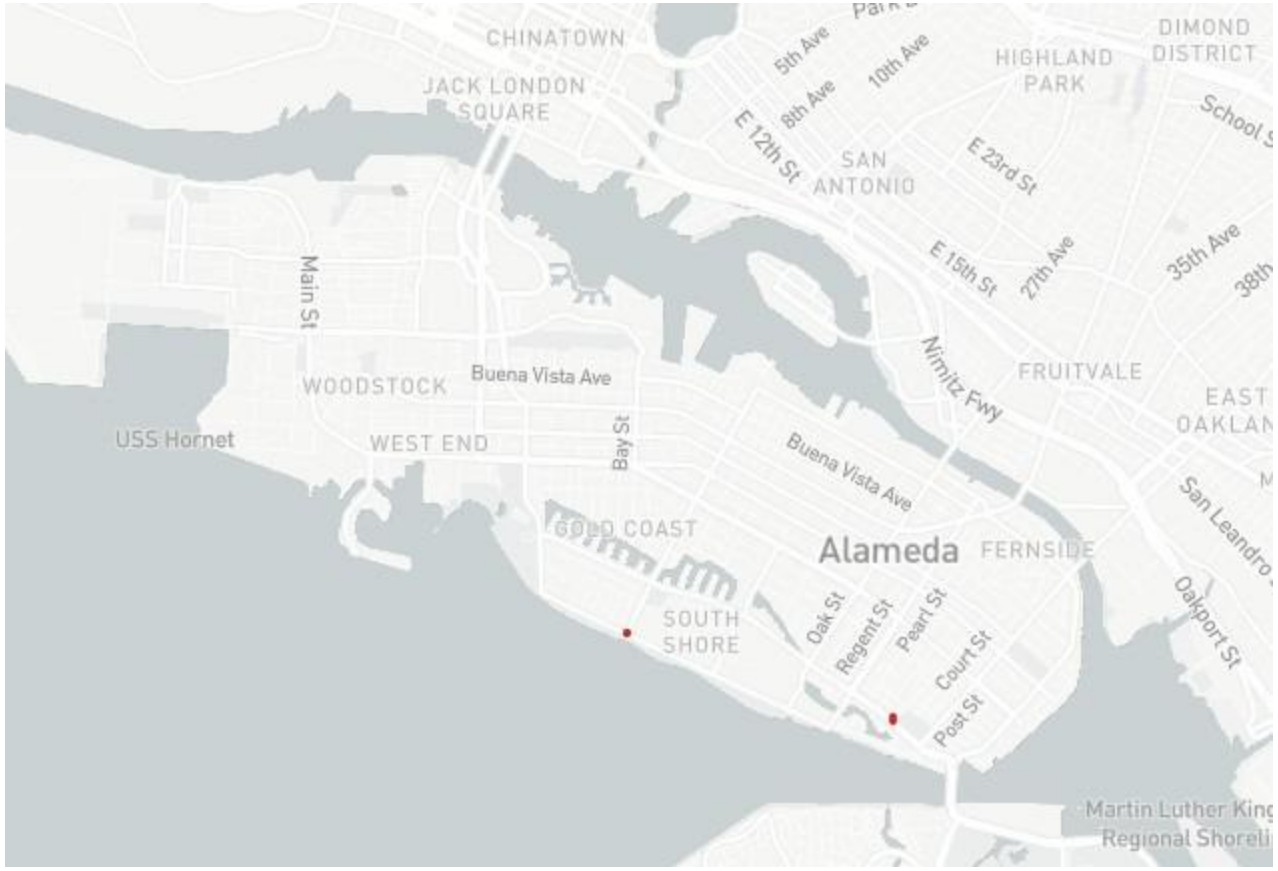

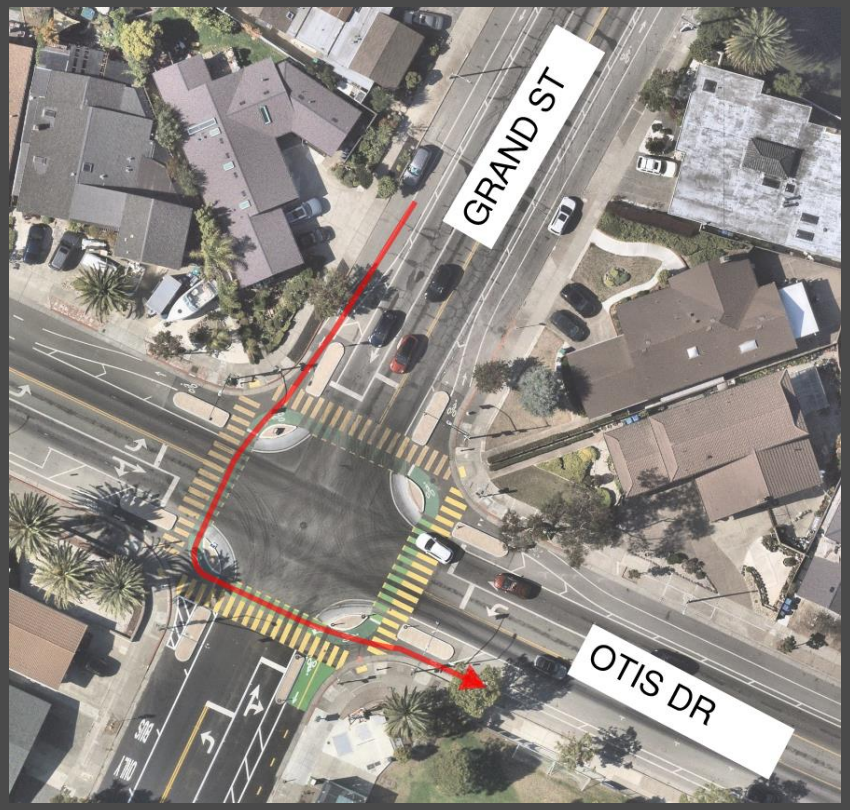

Crossing Guards

- At Mound and Otis
- Request for Shoreline and Grand
- Budget considerations currently being explored

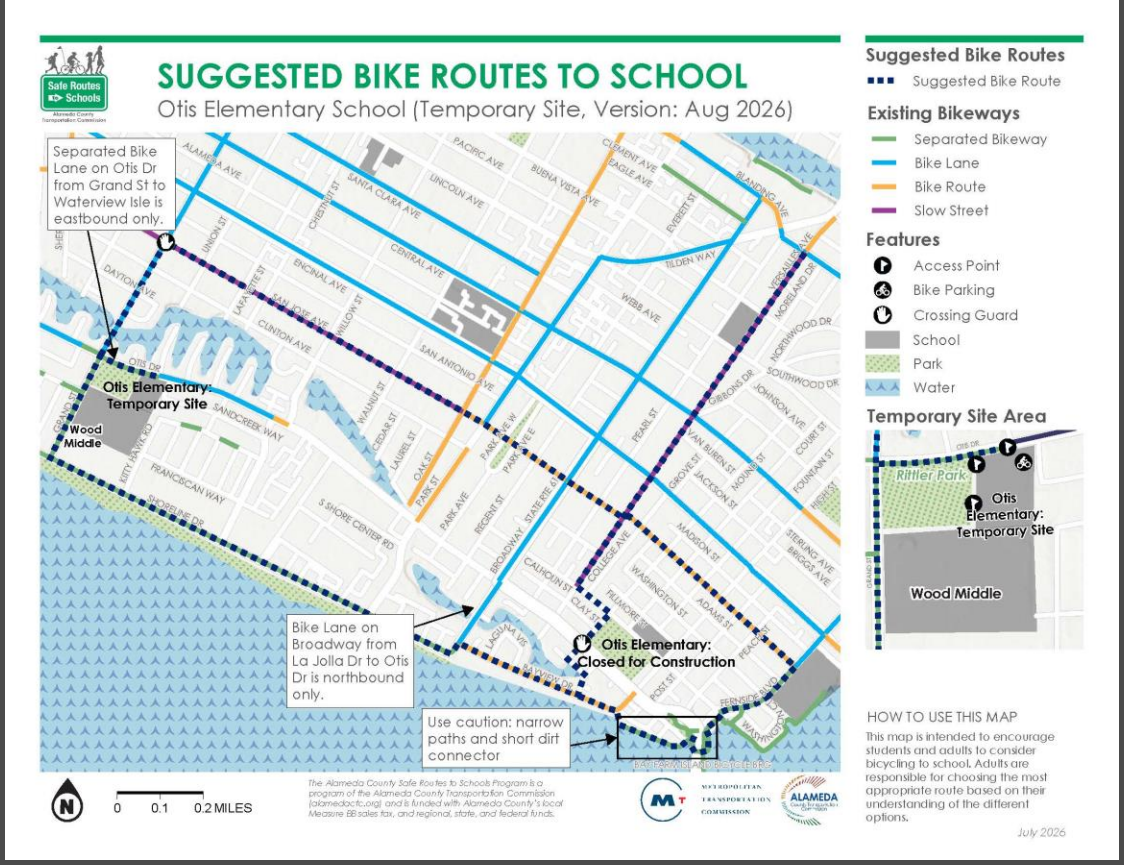

Navigating the Grand & Otis Intersection

How to turn left from Grand onto Otis on a bike:

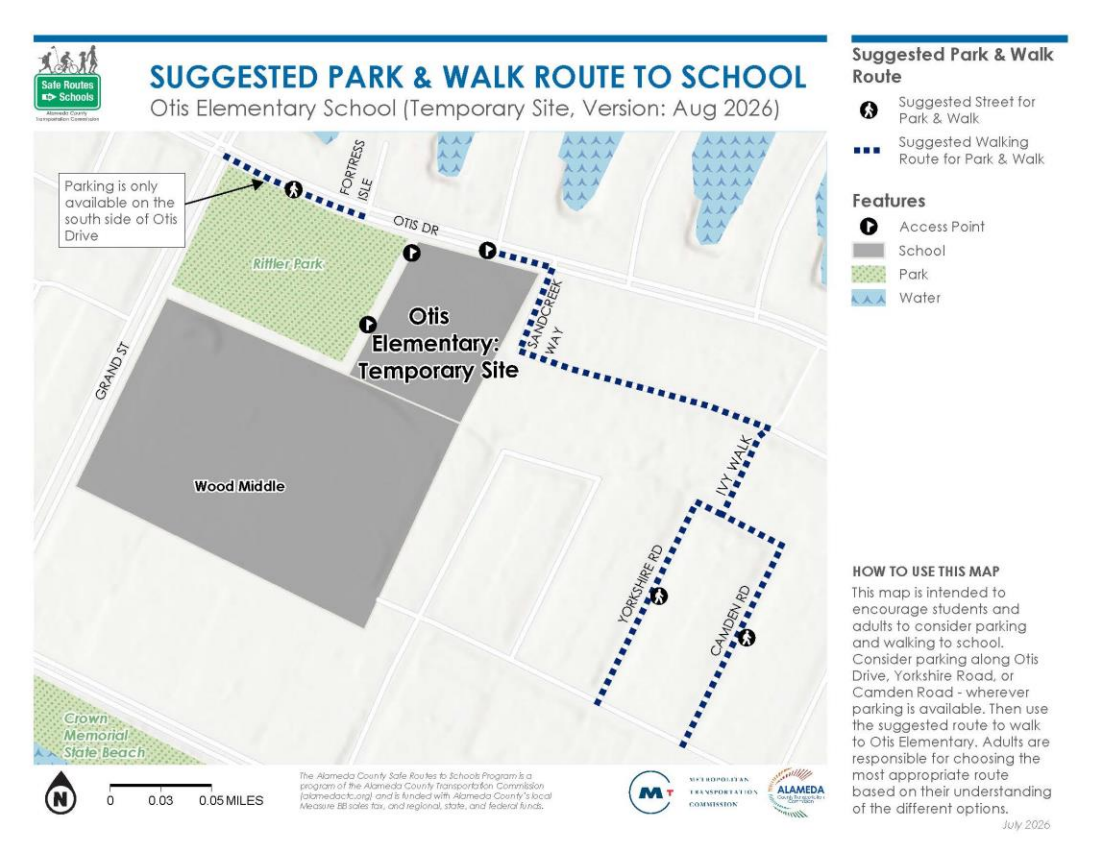

- Follow the green markings
- Turn left in two stages: Cross Otis first, then cross Grand
- At corners, wait next to the island for your signal
- Watch this video to see how it's done!

Biking to the Temporary Campus

- San Jose **west** to Grand to Otis
- San Jose **east** to Fernside bike path, under the Bay Farm Bridge, along the water, to Southshore to Grand to Otis
- Versailles **south** to Calhoun to Mound to Waterton to Court to Bayview to Southshore to Grand to Otis

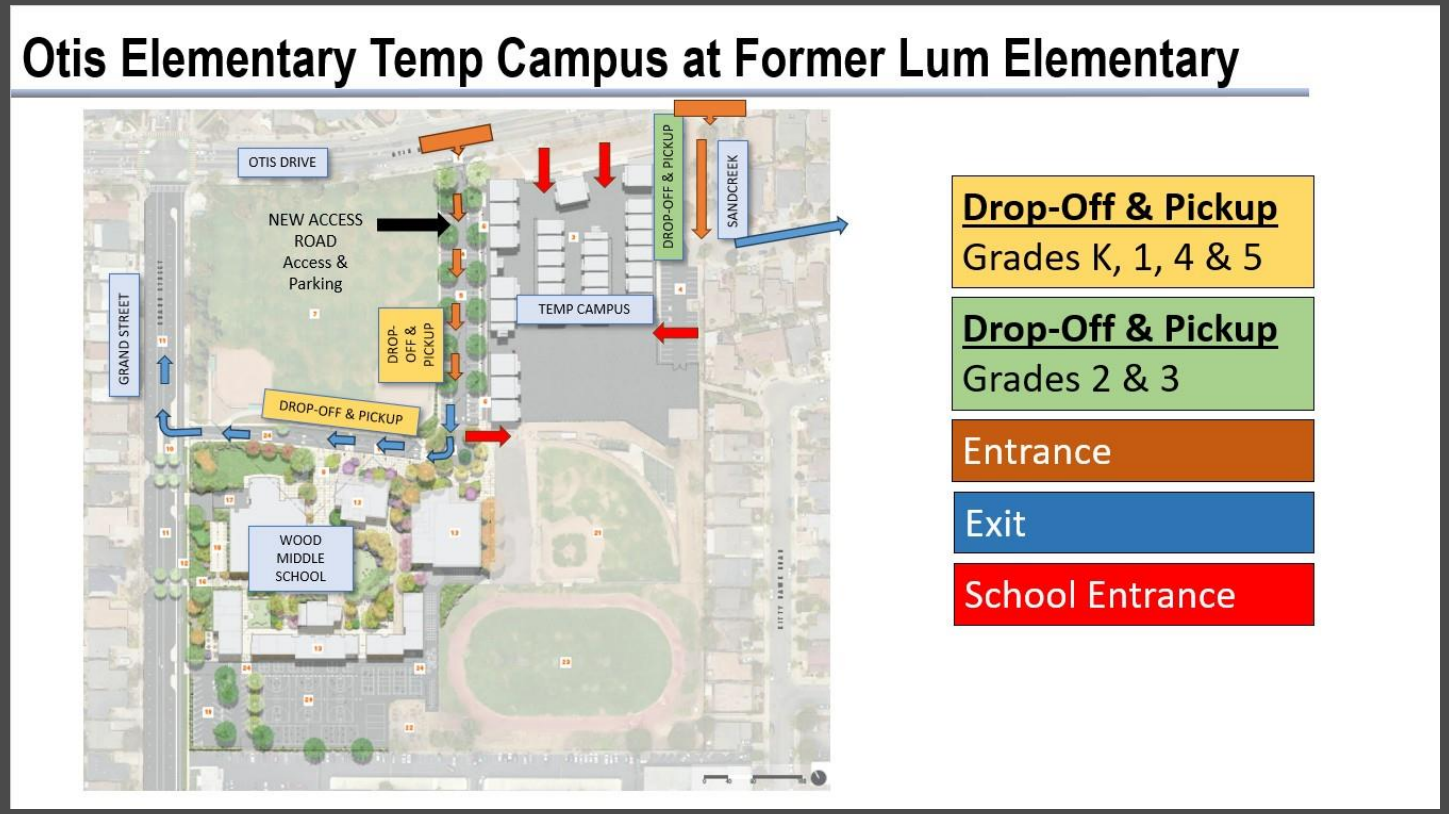

Park & Walk Routes

Avoid blocking:

- Residents' driveways
- ADA ramps
- Red or white curbs

Drop-Off for Drivers

<u>Enter</u> access road at Otis
<u>Exit access</u> road at Grand

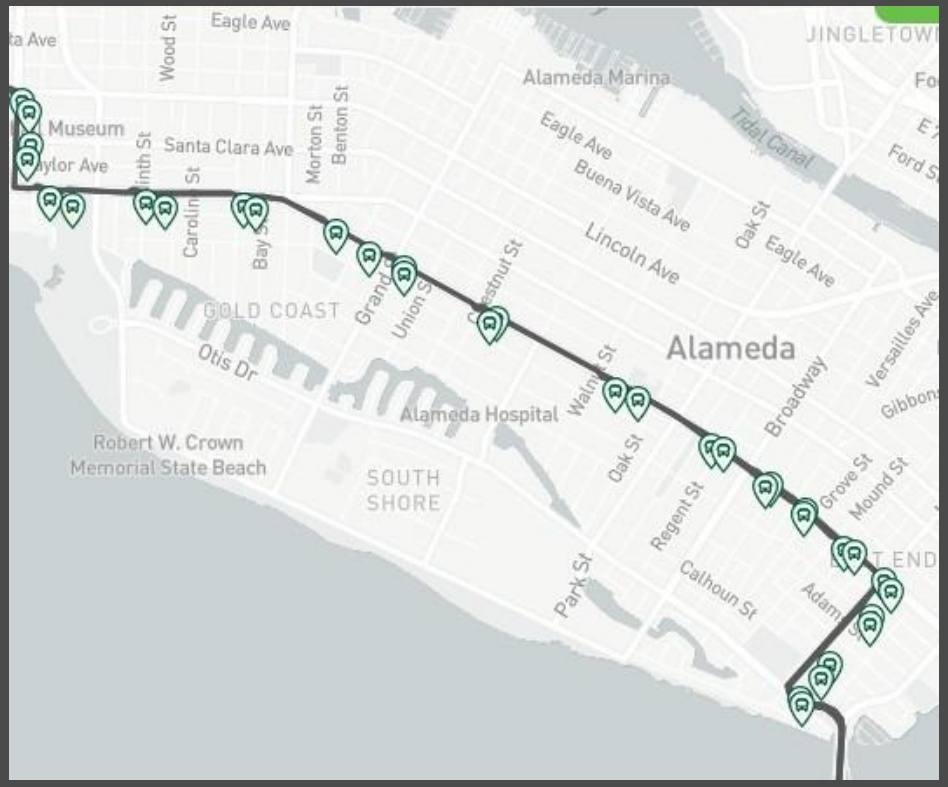

<u>Grades K, 1, 4 & 5</u>
Drop off along access road (volunteers will be available to help get students to campus)

<u>Grades 2 & 3:</u>
Drop off on Sandcreek Way

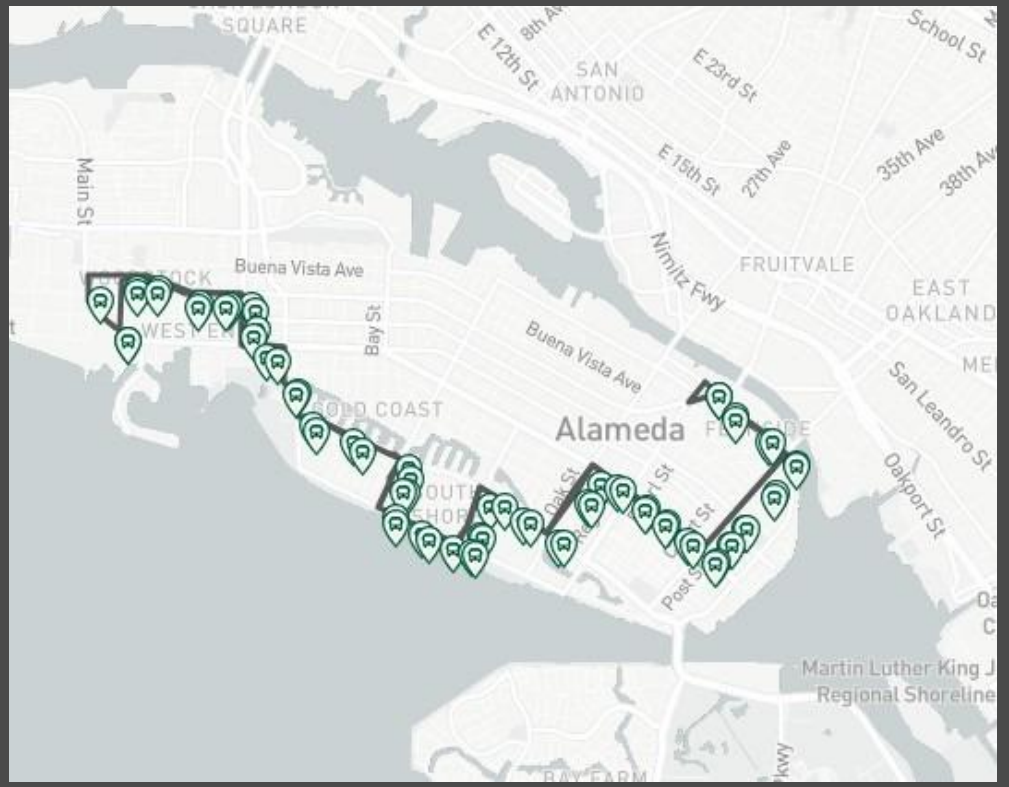

Drop-Off Do's & Don'ts

Do's	Don'ts
Stay in your car unless you have parked legally	Leave your car unattended unless you have a legal spot
Teach your child to exit out the **passenger side**	Double-park or block traffic
Follow the flow of the drop off line. Do not move car forward until car in front has begun to move.	Park in front of neighbor's driveways
Know that volunteers will help guide your student to the campus entrance	Perform U-turns
