

Techie T-Birds

The Techie T-Birds technology club is open to fourth and fifth graders. We will have one after school meeting. The purpose of this club is to create a technology project to enter into the Piedmont Regional Technology Competition.

Our students will learn about the following types of technology:

- 3D modeling
- animation
- audio production
- digital game design
- digital photo production
- graphic design
- multimedia applications
- physical computing
- programming
- robotics
- video production
- web & mobile apps

After learning about each of these categories, students will create a project to enter in the Piedmont Regional Technology Competition in January. This is a qualifying event for the Georgia Student Technology Competition (www.gastc.org).

If you are not interested in participating in the Piedmont Regional Technology Competition, please do not submit an application.

Interested students should complete the student application and return to Mrs. Williams in the media center by Thursday, September 3. More information will be sent home with the students who are selected.

If you have any questions, please contact Marissa Williams at marissa.williams@cherokeek12.net.

Techie T-Birds Application

Name: _____

Homeroom Teacher: _____

Computer Log In (S+lunch number): _____

Parent's Name: _____

Parent's Contact Number: _____

Parent's Email: _____

Students in Techie T-Birds are expected to:

- Follow all school rules and Cherokee County's Acceptable Use Policy.
- Cooperate with others and be respectful to teachers.
- Use technology in a careful manner.
- Adhere to all due dates.
- Complete a final project to enter in the Piedmont Regional Technology Competition.

I understand and accept these expectations.

Student Signature

If selected for Techie T-Birds, my child has permission to stay after school on meeting days.

Parent Signature

_____ I will pick up my child promptly at the back of the building at 3:30 after meetings. Students not picked up by 3:30 will be enrolled in ASP.

_____ My child will stay in ASP after meetings.

**Please return this completed application to Mrs. Williams
in the media center by Thursday, September 3.**
