School Meal Charges:

Did you know Food and Nutrition Services is a special revenue fund that does not receive General Fund Support? As a result, we must balance our budget through meal sales and state/federal reimbursements.

Applications for Free/Reduced Meals:

- A new application must be completed and processed every year.
- It is highly important to complete the free-reduced application (enclosed pink form). Your children may qualify for additional benefits such as reduced fees for athletics and activities, fees for college testing and applications, amongst other programs. Your application helps the school qualify for education funds and discounts as well.
- The prior years' eligibility is good for the first 30 days of school.

Payment of Meals/Viewing Child's Account:

- Meals may be paid in cash or check
- Online payments, through Infinite Campus Parent Portal, are now being accepted via Visa, MasterCard, and Discover.
- You may view your child's lunch account information through your Infinite Campus Parent Portal account.

Please assist us in making the meal experience pleasant every day by ensuring your child has adequate funds available. If you have any questions, please contact food.service@springfield.mntm.org Thank you!
