

Friends Club Application

Name: _____ Grade _____ Homeroom _____

Friends club is an organization of 4th and 5th grade students who assist students with special needs. You might help students with classwork, with PE skills, or be a friend to them at recess or lunch. This interaction between students builds character and develops leadership skills.

Please mark which activities you are especially interested in participating in this year. I cannot guarantee you will be placed in this activity, but I will do my best to honor your choice(s):

___ Specials Assistant with special needs students

___ Adapted PE Assistant with special needs students

___ Recess Assistant with special needs students

___ Classroom work helper with special needs students

Homeroom Teacher:

Block 1 Teacher(s):

Block 2 Teacher(s):

Please return this packet to your homeroom teacher by
Friday, August 21st

[illegible]

Dear Teachers and Parents,

Students who participate in Friends Club will miss 15-30 minutes of instructional time once a week to:

- Help special needs students with their school work
- Build social skills in specials, lunch, and recess
- Help the students with modified PE games
- Be a friend

Work completion and behavior will be a factor to determine if a student can participate each week. Communication with Mrs. Fife and Ms. Wooten is welcomed.

Please sign below that you recommend this student for Friends Club participation.
