

MORNING DROP OFF

Morning Drop Off

Enter the main driveway along the Powell Greenway and form a single line.

Drop off students along the cafeteria, main entrance, and under the awning to the mail box.

Cars must stay in line to exit and not pull around other cars.

Drop Off Option in the Morning
Parents may drop off in the bottom lot. Students will walk up the stairs to the top lot and cross at the crosswalk/flag pole.

Please do not block as our special needs buses and cars must drop off/ pick up in the back of the building.

AFTERNOON PICK UP

Afternoon Pick Up

Enter the main driveway along the Powell Greenway and form a 1-single line.

When that line is backed up to Emory Rd. parents will form a 2nd line. Vehicles will then alternate back and forth to allow for a 1-single line to be formed in front of the school.

Parking Option in the Afternoon

If you wish to park your car in the top or bottom lots in the afternoon, you must come to the flag pole and your child will be directed by the officer to cross to you.

Please do not allow your child to run across the traffic to you parked in the parking lots. This is a huge safety issue from your child.

Please stop and let our special needs buses and cars enter and exit without blocking the back entrance to the back parking lot. They drop off and pick up in the back of the school.
