

THE REGENT SCHOOL, ABUJA HOSTS THE COBIS Programme For Middle Leaders(CPML) 2026-2027

The Regent Primary School is a leading international primary school in Abuja, Nigeria, committed to providing an outstanding British-style education within a vibrant and inclusive learning community. Serving children from the Early Years Foundation Stage through to Year 6, the school combines academic excellence with exceptional pastoral care, enabling every child to thrive intellectually, socially and emotionally. Our diverse community brings together pupils and staff from a wide range of nationalities and cultural backgrounds, fostering global-mindedness, mutual respect and a genuine appreciation of different perspectives.

As a school that values continuous improvement and professional excellence, The Regent Primary School is committed to investing in high-quality professional learning for its staff through internationally recognised programmes such as the COBIS Programme for Middle Leaders (CPML) and other evidence-informed leadership and curriculum development initiatives. Located in Abuja, Nigeria's capital city, the school benefits from a dynamic international community and serves families from diplomatic missions, multinational organisations and the wider local community. By welcoming colleagues from other schools to our professional development programmes, we seek to build lasting partnerships, encourage collaborative learning and strengthen professional networks across the international education sector.
