AND TECHNOLOGY EDUCATION

March 26, 2026

Mr. Collins, Superintendent
Metro Technology Centers
1900 Springlake Dr.
OKC, OK 73111

Dear Mr. Collins:

The Oklahoma Board of Career and Technology Education approved Metro Technology Centers School District No. 22 for continued full postsecondary accreditation on March 26, 2026. This letter serves as your Certificate of Accreditation.

This accreditation remains valid provided the school continues to meet the conditions for accreditation established by the State Board, for a period not to exceed five years. A continuous improvement action plan addressing the first six quality standards must be submitted within 90 days of Board approval. Progress on the continuous improvement action plan will be reviewed during a virtual visit scheduled for July 2028. The accredited institution is responsible for reporting, within 30 days, any substantive programmatic or institutional changes that may affect its accreditation status. The next onsite evaluation is scheduled for the 2030–2031 school year.

Please call me at (405) 743-5575 if you have any questions or if I can be of assistance. Thank you for your commitment to providing quality career and technology education.

Sincerely,
