

PALO VERDE HIGH SCHOOL
OPENING OF SCHOOL IMPORTANT INFORMATION
July 29, 2026

Chromebooks:

Chromebooks will be checked out to students beginning the first week of school through the science classes. Students are welcome to bring their own device if they have one. Additional information regarding Chromebooks will be sent in a separate parentlink message and will also be available at www.paloverde.org

If you have any tech questions or require assistance, please email either Mr. Mario Galvez at galvem2@nv.ccsd.net or Ms. Claudia Kirby at kirbycs@nv.ccsd.net

Communication:

Please visit our website: www.paloverde.org for school information, especially during this time of the year. We continue to add new information and details to be as helpful as possible. You can also follow us on our social media pages Palopanthers96 (Facebook and Instagram). Our main office number is 702-799-1450 x4000 and we are open daily from 7:30 am to 3:45 pm.

Class Schedules:

Student schedules will be available in Infinite Campus starting Friday, July 31, 2026. Please note that schedules are subject to change and are not finalized until the first day of school, as our counseling team continues working diligently to ensure each student's schedule aligns with their academic plan and keeps them on track for graduation.

If a student believes there is an error in their schedule, they may complete the counselor request form after **July 31st** found at www.paloverde.org. The only schedule changes that will be completed at this time are for the following reasons:

- A missing class period
- Two classes scheduled during the same period
- A class that the student has already completed for credit

Please note that elective changes will not be made unless they are due to one of the scheduling errors listed above.

Lunches:

Students are still provided with breakfast and lunch at no charge. In addition to the school-provided breakfast and lunch, students may also purchase items from various hot food vendors or access our vending machines.

New Student (All Grades) Orientation:

Please join us for New Student Orientation on **Monday, August 3, 2026, from 4:00 pm to 7:00 pm**. This special event is designed to help our newest Panthers feel prepared and confident as they begin the school year. Parents are invited (but not required) to stay with their student(s) and participate as well. The event is casual and flexible. You're welcome to come and go at your own pace. Details of the event can be found at www.paloverde.org

Online Registration:

All families with students attending Palo Verde High School must complete their annual registration using Campus Parent via Infinite Campus (campus portal.ccsd.net). Please make sure all of your contact information is up-to-date. This includes phone numbers, home addresses, and emergency contact information. Families with multiple children will also see the option in certain areas to copy responses from one child to the next to help save time with the registration process. Families can use a computer or a mobile device to complete registration. **This must be complete for your student to begin school on August 10, 2026.** If you have questions for our registrar's office, please call 702-799-1450 x4065

Open House:

This year's Open House event will take place on **Thursday, August 6, 2026**. Doors will open promptly at 5:30 pm and the event will conclude at 8:30 pm. After picking up their schedules, students and families will be treated to a pep rally in the gym. Immediately after the assembly, students will follow the bell schedule and have the opportunity to meet their teachers in each classroom. We recommend arriving early to ensure easy parking and guaranteed gym seating. Be sure to visit Raising Cane's at 10050 W. Sahara Ave after the event, where 15% of every meal supports Palo Verde HS! See additional information at www.paloverde.org

School Fees:

CCSD has transitioned to MySchoolBucks, our new online payment system. Please review our 2026-27 Course Catalog to identify any required course fees, which can be paid directly through your MySchoolBucks account. For additional information, please visit www.paloverde.org/webstore.

School Supplies:

Students will receive specific information regarding the required supplies for the classes they are enrolled in from their teachers during the first week of school. It is always suggested that they bring just basic supplies such as paper and pen/pencils to help them through the first few days of school.

Transportation:

If you need to register for CCSD transportation, you can do so at <https://transportation.ccsd.net/> or by calling **702-799-8100**. This department will have the details you need regarding schedules and bus stop locations.

Vaccinations:

All CCSD students must be up-to-date on their required immunizations to begin school on August 10, 2026. Students who have not met these requirements will not be permitted in class. If you have recent vaccination documentation, please visit the nursing office in the main administrative center between 7:30 am - 3:45 pm to provide this information and update your child's records in Infinite Campus as soon as possible.
